Has Anyone Laughed THE RIGHT THING Because -RIGHT TIME You have "queer" friends? BY MARY MARSHALL DUFFEE

"They" say you have queer tends. No doubt you might think their friends are queer THE BORROWED CAR Your friends may be queer be-cause they dress according to comfort, or fad or something not akin to Parce. They may THERE is a really commendable I generosisy on the part of most au-tomobile owners in trying to give the greatest amount of happiness possible "quer" because they have real "think tank," because

a real "think tank," because they don't think as the could does. They may be "quier" bewith their cars. Few automobile owners refuse to lead their cars for any enuse they don't go to Unr Har-ter in the summer and Hot worthy charity-for instance, in many towns the orphun asylums each year Springs in the winter. They may be "queer" because they for borrowed cars to take the children for an outing. Hospitals de-pend on borrowed cars for taking congive their money instead of hourding it because they give valescent patients for airings, and then, of course, there are the numberthemselves instead of saving Burnselves. less times when the thoughtful owner lends his car to friends. Sometimes Your get away here is: he sends his car, with a driver, to take Your friends are interesting, interested and worth your whole.

some friend's family for an afternoon's outing. Often he sends it to take friends who have no car to or from me entertainment, or for a shopping Now, there is not much to be said

anent the mannerly way of lending a cor. Don't be condescending in your panner. That is all If you lend your er, do it with a generous spirit which will be sure to show in your manner. But there is a good deal to say to the person who accepts the use of a

To begin with, use the car only for such hours as it is understood that you are to use it. That is, if a friend telephones you and asks you if yo would like to use her car to do the Saturday morning shopping, between ten and eleven, he sure not to keep it until half past eleven.

If a friend on whom you are calling sends her car to take you home don't ask the driver to stop at somebody else's house while you make a call.

And never, never use the car rough-Don't let the children kick the uphoistery and scratch the varnish. Don't scraps or bundles. Be sure, when you leave the car, that it is as neat as it was when you entered it.

Another thing: Never accept the var from anybody but the owner. If you see a friend's car standing by the curbstone, don't ask the chauffeur if won't just drive you on an errand. And never, unless in the case of a chauffeur who has been in the service of the car owner for a long time, accept his invitation to use the car. Even then, the only time you would be justi-fied in doing so would be if he happened to be going in your direction. and suggested that he could take you home conveniently.

(p by McClure Newspaper Syndicate.)

Fairfax Stone.

The Fairfax stone is a stone mark-ing the head of the Potomac river, and the farthest west point of Maryland. The early surveyors of this tract vorking under the orders of Lord Fairfax, the owner of much of Virginia, mistook the north branch of the Potomac for the true river and settled the present boundary of Maryland and Virginia (now West Virginia) where
