There are of course people who are abused as much as they think they are, but you can write on a postage stamp the names of all such persons you know. You and nobody else are to blame for your failures or responsible for your success. Be unsparing of the blame. Check up every days work and see if it would satisfy you if you were the boss. If it wouldn't, do better work the next day.

Nobody will be interested in your excuses or your "allbis." Everybody will be interested in what you really accomplish. You can get somewhere in the world if you try. But you'll have to try extremely hard.
