

The Watauga Democrat

Local Affairs

Dr. Goetz, of Fountain City, Tenn. is visiting with Dr. Butler in Boone.

The days in delightful Watauga are just warm enough since the rain ceased, while the nights are cool and refreshing.

Mrs. M. O. Baroman, of Marsville N. C., is a visitor for a few weeks at the home of her sister, Mrs. L. L. Bingham, in Boone.

Messrs. Council Bauguess and Bullew, attorneys of West Jefferson transacted business in Boone last Saturday.

Dr. Goetz, Lawyer Harris, and Messrs. Johnson and McCart, all of Knoxville, Tenn., spent Monday night in Boone.

Dr. Vance of Nashville, Tenn. and Blowing Rock, N. C., will preach in the Baptist Church at Aho at 11 a. m. on Sunday, July 29th.

Miss Dona Butler, of Mountain City, a niece of Dr. W. R. Butler entered the Training School on Tuesday.

Married at the Methodist Parsonage on the 24th Thomas M. Fairchild of Watauga to Edna Church of Ashe County. Rev. Brinkman performing the ceremony.

Mr. Henry Brinkley, city night patrolman, is off for a few weeks, and Mr. W. R. Greene, an old hand at the police game, is working in his stead. We can expect efficient service during the absence of Mr. Brinkley, who has been making a good officer.

There will be a call communication of Watauga Lodge, 277, at the Masonic Hall in Boone tomorrow (Friday) evening, for work in the first degree. All members and visiting brethren invited.

Meridians L. A. Greene, Jonathan Norris and Lloyd Norris, all of Sand-R. F. D., were in town, yesterday, coming enroute to meet the eye specialist, Dr. Wakefield, and while here availed themselves of the opportunity to do some shopping. They honored The Democrat with a pleasant call.

Work on the kraft factory is moving right along, the cement base and foundation being put in by Mr. Garthie Critcher, will soon be completed, and the major part of the lumber is on the ground for the construction of the building.

Mr. Sam R. Journey, of Olin, N. C., with his brother, Mr. W. R. Journey and three sons, of Dade City, Florida returned to the home of the former in Iredell county Tuesday, after a three day visit to their sister, Mrs. Rivers, and other relatives and friends in Watauga.

Miss Nannie Rivers, who opened school at Penley Tuesday of last week, only taught one day, and returned to her home Saturday. An outbreak of whooping cough in her school was the cause of her suspending, and she will not return for possibly three weeks.

Rev. F. M. Huggins, beloved pastor of the Baptist church in Boone, is off for a well-earned vacation of two weeks. He and his family will visit his old home, and from there he will go to Mar's Hill to attend some meeting relative to church work. As a result there will be no services in the Baptist church next Sunday.

Mr. J. T. Ashley was in from his Virginia home, and spent three days with his wife, who has been conducting a nice little business here for several months. He left Tuesday, and Mrs. Ashley followed yesterday, having disposed of her stock, and bade farewell to Boone for a while, at least. They are of the opinion that later on, when Mr. Ashley can get work in his line in Boone (that of machinist) they will buy property and build a home here. Mrs. Ashley leaves many friends here, who were sorry to see her leave.

Mr. Casey whose illness in a Bristol Hospital following an operation, we mentioned last week, arrived at the home of his daughter, Mrs. A. E. Smith, in Boone last Saturday, and while he is far from being well, he is getting on very satisfactorily under the care of Dr. Anders. Mrs. Casey and their two sons, of Gastonia, are here, and will remain until there is some radical change in Mr. Casey's condition.

The people of the town were somewhat surprised Saturday evening when they heard of the marriage of our esteemed friend, Mr. H. H. Green to Mrs. Milton Mast, formerly Miss Floy Cottrell. The ceremony was performed by Pastor Huggins at the home of the bride, at 8:30 Saturday evening. Mr. Greene is Sec. Treas. of our Building and Loan and a prosperous and popular citizen, while his bride is one of Boone's choice ladies. The Democrat, in behalf of their many friends, extends to the newlyweds warm congratulations, wishing for them much happiness.

Tom Henry, of Gastonia is visiting Fred Anders.

Mr. L. W. Linberry, of Randleman, N. C., an owner of a Department store in that city was a visitor in Boone this week. Mr. Linberry is looking over the town with a view to purchasing property for a residence, and is also contemplating the establishment of a business house here.

Mr. Sam Adkins, who has been taking vocational training in the Taylor Garage, for the past year, has served out his term, bought the Kelley Osborne shop, just west of the Blackburn's and opened a garage of his own. He is putting in a gas tank, will do general repair work, and in the meantime buy and sell second-hand Fords, in which particular business he has proved himself most efficient.

Mr. and Mrs. J. P. Wilson, of Sweet Water, were visitors in Boone Monday, and called to renew their subscription. They say they are not getting more than half their papers, regardless of the fact that their bundle reaches the post office every week. There is a reason, and it will be investigated if this irregularity is not overcome. A person who wishes to read a paper should buy and pay for it, as the Wilsons do, and maybe the problem would be solved.

Rev. and Mrs. Hamlet, missionaries to China, who are home on a vacation, left for Morganton yesterday, after a few days visit to Mrs. Hamlet's aunt, Mrs. E. S. Coffey, in Boone. Mrs. Hamlet was originally Miss Lottie, daughter of Atty. and Mrs. J. F. Spainhour, of Morganton, and spent several years of her girlhood in Boone. She has been in China as a missionary for the past twelve years, this being her second vacation. While she was in the States 7 years ago, she was married to Mr. Hamlet, he also being a missionary to China.

Rev. R. H. Heffell, the new pastor at Cove Creek, preached at the Baptist church Sunday night.

A telegram received here, states that the sixty Alamance county farmers who spent the past week on a tour of the live stock section of North Carolina and Virginia, under the direction of County Agent W. "Everywhere there were large farms, beautiful country and progressive methods used", said the telegram from Mr. Scott. "Governor Trinkle was most cordial to us as accounts of the live stock section through which we had passed.

The Popular Grove Singing class came out second winning in a contest held in Wilkesboro last Saturday, there being six classes, two from Watauga, two from Wilkes and two from Alexander counties, who were contesting for the prizes. The first prize was won by the Little River class, it being an Eves organ, while the second which was won by Popular Grove, was a \$50.00 certificate that will be accepted as part payment on an organ of the same make. Prof. Zack Greene is leader of the class, and he, his pupils, and their friends are pleased that they made such a good showing.

MUST STOP CARRYING OVER-DRAFTS

The State Bank Examiner, Mr. Darden, of Raleigh, N. C., has been making the Annual examination of the banks of the County during the last week. The only criticism we hear at all is that the banks of the mountain sections carry some over-drafts. A practice which the Examiner says must be discontinued. This is a ruling which our local banks say they will have to follow to the letter. Let us suggest that the patrons of the banks keep a little closer tab on their Bank accounts and thus save embarrassment to all.

A CASH Basis But Not CASH

IT IS A FINE THING TO BE ABLE TO PAY ON A CASH BASIS—BUT NOT WITH CASH. A CHECK BOOK IS FAR SAFER AND MORE CONVENIENT THAN CASH. BOTH TO HAVE AROUND THE HOUSE AND IN YOUR POCKET.

AND WHEN YOU GIVE A CHECK IN PAYMENT OF A BILL, YOU HAVE A CERTAIN BIT OF EVIDENCE THAT YOU HAVE PAID THE BILL WHEN YOUR CANCELLED CHECK COMES BACK!

ALAMANCE FARMERS VISIT BOONE

About sixty-five farmers from Alamance County with their farm demonstrators spent two nights in Boone leaving on Saturday morning. They said that Boone is the only place in which in all their tour they spent more than one night. The Watauga farm demonstrator, Mr. John Steele, was with these farmers doing Friday taking them to various parts of the county. On Friday evening on the Court House lawn a reception was given them, words of welcome were extended to them, and refreshments were served. They expressed themselves as pleased with their reception and delighted with the beauty and climate of Boone and its surroundings, and promised that this visit shall not be their last. Boone was delighted to have this fine crowd of farmers as guests for even so short a time and hopes that they will repeat the visit often.
