For the June Bride

As the month of June draws near we would like to again call your attention to our exceptional line of high grade engagement and wedding rings, pearls, silveware, etc.

The Diamonds kept by us are gems of the rarest brilliancy and guaranteed to be perfect and absolutely genuine. For years we have enjoyed the privilege of doing business with the people of Eastern Tennessee and Western North Carolina, and have never been known to handle anything shoddy.

Those who visit our place for the first time are surprised that such a line of high grade Jewelry can be handled in a place the size of Boone. We have absolutely the most modern establishment of the kind to be found anywhere in this great mountain section, and kindly ask you to feel we are at your service when you are considering the purchase of anything in our line.

We make a specialty of mail orders, and they are filled promptly and according to the most minute details accompanying the order.

In connection with the jewelry store we conduct a modern watch repairing establishment, and make a specialty of engraving.

Come and see us.
