One of the especially encerful reatures of the situation is that the school buildings and equipment were planned for the future, so while the present errollment comes fully up to experiment, there is pienty of room for additional pupils, and is likely to be for several years to come.
The low cost is maintained by the

co-againtien of the students who do all of the bursework-which in itself seience and gives them the benefit practical experience which has proved a great value. The system is somewhat like that topicateless for many years at the Gamete Meint Halvoke College, and plenty of time showed for the required work in the head mic branches.

Aiso the school has its own gardand raises a terr pigs each year of which sends to keep down peters. Milk is supplied from a herd of registered Holsteins, and perhap the extraordivary good health pr vailing among the student hody and faculty would be largely as ribed by dictiolans to the liberal quantities of this beverage which they consume and peculiess to say, more than the

How often do you visit your jeweler?

Not very often, you'll agree, compared to the visits you make to your grocer and other stores.

This is natural enough. Silverware, watches, rings, etc., are not used for a brief period and replaced, as with other articles. Things bought at the jewelry store must serve longer.

That's why there is only one safe rule to follow: Buy the best. Only the best will bring permanent, dependable satisfaction in the long period of use, when the few extra dollars in cost will have been for-

Here you'll find the best of everything -at prices that are always reasonable, quality considered. Of especial interest is our new showing of watches cased by Wadsworth style leaders in the dress of high-grade timepieces. Visit us.
