ontinue to call you. Now, we'll see and his cleanshaven, rounded fare and his cleanshaven, rounded fare and fine gray eyes would not have suggested his connection with burglary. He was an engaging sort of person, and Archie decided suddenty that the man might be of service to him. He was in pressing need of a achange of clothes, but he was in no condition to proceed to Portsmouth to redeem his suitcase; an impression that was confirmed unexpectedly by his captor.

"You will pardon my candor, but you certainly look like the devil. Let me introduce myself to you as the Governor. Among the powers that prey that is my proud cognomen, not to say alias. Now piease be frank, what mischief brings you nere at this hour?"

Archie gave serious thought to his answer. If he could convince this person that he was a crook he would be less likely to suspect that he had shall be to the end of the chapter.
