

# Normal Teams Win Two Cage Titles

## LAYS CLAIM TO 2 CHAMPIONSHIPS

A. S. N. S. Boys and Girls Have Successful Season, With Three Losses Chalked Up Against Boys and Two Against Girls

Winston-Salem Journal.

Two powerful basketball teams of the Appalachian State Normal went down from their mountain lair at Boone to bring two championships to Northwestern North Carolina during the past cage season. The boys' team, battling against junior and senior college teams, has established a fine claim on the junior college title of the state, while the girls have swept through an eight-game schedule with only two defeats, both in a Tennessee team to take the North Carolina junior college title for women.

The boys have met the best in junior college ranks in the state and even swept down into Georgia to face some of the strong college teams in that section. Eighteen games were played during the season and fifteen of the battles were chalked upon the right side of the ledger.

The Normal five presented a well rounded aggregation to the fans and posing eagles of the state, and these stars uncoiled a speedy scoring attack in every game that sent the total number of points registered during the season to 622 for the 18 games. This gives the Normal boys a total of a bit less than 35 points a game, which will show, to some extent, the powerful offensive attack of the club.

The three games lost were to Mars Hill Eastern, Tennessee. Teachers and Campbell College. The team sought and gained revenge against two of the clubs and turned the tables on the Eastern Tennessee Teachers on their home floor, and taught Campbell College here, to end the season with a brilliant 21 to 18 victory.

The team play of a steady band of the endow stars throughout the entire season and not only one real bad game challenge against them, when they swept into Campbell College on the tail end of a four-day road trip and cracked under the strain to lose a bit to 14 game. The passing and defensive play of the club outside of this one game was remarkable and proved the big feature, along with the powerful offensive play, to win a claim.

There is very little doubt as to the undisputed claim on the state title by the girl team. The girls won over Calowhee twice, Lenoir-Rhyne twice and Mitchell twice in the state race and dropped two close battles to the East Tennessee Teachers College club. The first game against the Volunteer team was lost by one point, 12 to 11, while the second went by two points, 20 to 21, showing the pure strength of the two teams.

The forwards on the girls team have racked the basket for a grand total of 198 points in eight games, while the whole guarding of the club held the opposing club to only 130 markers during the season.

The two games lost by the girls this year were the first for two seasons. Last year they marched through every college team played in North Carolina, Tennessee and Virginia without a defeat.

As a whole, the season has been one of the most successful ever experienced by a junior college in North Carolina and the two teams, both boys and girls, have a wonderful record, one good enough to lay a fine claim on the state title.

Affect His Wind

"When I first started to smoke I was anxious to find a cigarette that would give me pleasure without taxing my wind or irritating my throat. I soon discovered Lucky Strikes. I am very fond of the excellent flavor of these cigarettes and they keep my throat clear and do not affect my wind in the least."
