Sunday Morning at the Baptist Church

Sunday school was rather small in attendance, only 333. The reason for this was a number of our school students attended the meeting at Three Forks church. The collection for the Thomasville Orphanage was good. Pastor Hicks' subject for the morning service was: "A Purposeful Life." Text, Daniel 1:8. As usual he gave us a forceful message, briefly told, with telling effect. A more earnest minister than Brother Hicks would be hard to find.

North Carolina continues to hold the lead in the number of cotton spindles in operation and is far and away ahead of all states, according to figures announced by the department of commerce. North Carolina had 5,925,218 spindles active during the month of May, with South Carolina second with 5,373,014, and Massachusetts third with 5,112,660. North Carolina also led in the active

spindle hours for May, but continues to trail Massachusetts in the number of spindles in place, as of May 31.

IMPORTANT NOTICE To All Charge Customers

For the reasons mentioned below we will on July 1st, go on a strictly CASH BASIS, and will keep no books, and make no charges to anyone.

Since beginning our business here three years ago, we have LOST VERY LITTLE money in Bad Accounts. The decision to go on a Cash Basis was not arrived at due to any loss in accounts. The main reason is that we will eliminate the expense of book-keeping, and collecting, and will thereby be able to offer even lower prices than we have in the past. We feel that the majority of our customers would rather pay spot cash, and save money than have it charged at a higher price. We really have our customer's welfare in mind when we decide to go on a cash system.

Come to see us often. We promise you new, fresh merchandise at all times as low as it is possible for any store anywhere to sell it.

Assuring you of our appreciation of the hearty co-operation you have given us in the past, and trusting that we will continue to have this same co-operation, we are,

Respectfully,

SPAINHOURS', Inc.
