FITTERS TEMPT SPRING APPETITE

Fritters are one of those appetizing small things of the table that add an air to an otherwise rather ordinary meal. Here are some good recipes for fritters for any one of the three meals.

Peach Fritters

Dip halved canned peaches in sweetened fritter batter and then fry them in deep fat. Drain them thoroughly on brown paper, roll them in powdered sugar and serve them hot.

Cheese Fritters

Add grated cheese to fritter batter.

Goes to Town Alone First Time in Months

MRS. ALICE BRADLEY

"I don't know what there is in Sargon, but it's the most wonderful medicine I ever took in my life! Today is the first time I've been able to come downtown alone in six months and it is due to the wonderful strengthening effects of this remarkable medicine!"

"For months my nerves were upset and I was so rundown that I was unable to do any housework, and hardly able to get out of the house. I was so weak I spent most of my time in bed. My appetite was poor, the lightest foods disagreed with me and I suffered continually with chronic constipation. I am on my fourth bottle of Sargon, my appetite is splendid, my digestion is perfect, I'm strong and energetic, my nerves are strengthened and my housework is really a pleasure. Sargon Pills have rid me of constipation for the first time in years."—Mrs. Alice Bradley, 855 Capp Street, San Francisco.

DR. CALDWELL'S THREE RULES

Dr. Caldwell watched the results of constipation for 47 years, and believed that no matter how careful people are of their health, diet and exercise, constipation will occur from time to time. Of next importance, then, is how to treat it when it comes. Dr. Caldwell always was in favor of getting as close to nature as possible, hence his remedy for constipation is a mild vegetable compound. It can not harm the most delicate system and is not habit forming.

The Doctor never did approve of drastic physics and purges. He did not believe they were good for human beings to put into their system. Use Syrup Pepsin for yourself and members of the family in constipation, biliousness, sour and crampy stomach, bad breath, no appetite, headaches, and to break up fevers and colds. Get a bottle today, at any drugstore and observe these three rules of health: Keep the head cool, the feet warm, the bowels open. For a free trial bottle, just write "Syrup Pepsin," Dept. When Food Sours

Lots of folks who think they have "indigestion" have only an acid condition which could be corrected in five or ten minutes. An effective anti-acid like Phillips Milk of Magnesia soon restores digestion to normal.

Phillips does away with all that sourness and gas right after meals. It prevents the distress so apt to occur two hours after eating. What a pleasant preparation to take! And how good it is for the system! Unlike a burning dose of soda—which is but temporary relief at best—Phillips Milk of Magnesia neutralizes many times its volume in acid.

Next time a hearty meal, or too rich a diet has brought on the least discomfort, try—
