

JUNIOR ORGANIZATION TO OBSERVE FLAG DAY
 Monroe, N. C.—Juniors throughout the State will observe two important occasions this month—flag day and the annual memorial service. Communications have been sent to the several hundred subordinate councils by Charles L. Hamilton, of this city, who is now bringing his year as State counselor to a close.

Under the by-laws of the State organization, Juniors throughout the State are required to observe flag day on the meeting nearest June 14. "The flag of our country is the symbol of constituted authority and represents the ideals and principles for which our government stands," the State counselor says in instructing the councils representing more than 52,000 men to observe the day.

Memorial day will be observed on Sunday, June 23. On that day all councils of the State are expected to do honor to the memory of their members who have died since the last memorial service was held. Many of them will attend church services in a body, while others will hold appropriate programs in their council halls.

Dr. Gilbert S. Lambert Now Endorses Sargon

DR. GILBERT S. LAMBERT
 "For over two years I suffered with chronic stomach trouble and constipation that I was unable to correct with ordinary medicines. My appetite failed, I couldn't sleep and I was losing weight rapidly. I had frequent bilious attacks when my complexion became yellow as if I had jaundice.

"The Sargon treatment appealed to me because of its scientific background. Three bottles taken with Sargon Soft Mass Pills overcame my troubles, and I am in better physical tone than in years."—Dr. Gilbert S. Lambert, well known retired physician of San Francisco.

"Ever knew all this, and didn't know why she knew it, any more than she knew why she appreciated the unusually good music of Jake's jazz orchestra."

"Speaking of being here," Hunt went on, "Why are you here, really? It's easy enough to see that you don't belong."

Comes Back Strong

After the World War, John G. Lutz of 1110 Waverly Ave., in San Antonio, came back home with a stomach which kept him in misery. "I couldn't find a thing to help me very much until a friend suggested I try Herbine," says Mr. Lutz, who is a service officer of Alamo Post No. 2, American Legion. "I can't say too much for Herbine since it fixed me up so I can eat again, and the pains I had in my back stopped. I never felt better in my life."

Herbine helps the stomach and bowels to take care of the food you eat, so you do not suffer from the usual causes of indigestion, flatulency, sick headache and constipation.

Nature Thought of Everything

Nature thought of everything when the human body was made. When the body is about to become ill, nature planned danger signals to warn us. Thus, if our children grind their teeth when they sleep, or lack appetite, or suffer from abdominal pains, or their mouth about the nose and fingers, we should know that they may have contracted worms. Then, if we are wise, we buy a bottle of White's Cream Vermifuge and surely expel the worms. Thus we avoid the danger of very serious disease. White's Cream Vermifuge is available in all drug stores.

Makes Life Sweeter

Children's stomachs soar, and need an anti-acid. Keep their systems sweet with Phillips Milk of Magnesia.

When tongue or breath tells of acid condition—correct it with a spoonful of Phillips. Most men and women have been comforted by this universal sweetener—more mothers should invoke its aid for their children. It is a pleasant thing to take, yet neutralizes more acid than the harsher things too often employed for the purpose. No household should be without it.

Phillips is the genuine, prescripiional product; physicians endorse for general use; the name is important. "Milk of Magnesia" has been the U. S. registered trade mark of the Charles F. Phillips Chemical Co. and its predecessors Charles H. Phillips since 1875.

PHILLIPS Milk of Magnesia

SAME PRESCRIPTION HE WROTE IN 1892

When Dr. Caldwell started to practice medicine, back in 1875, the needs for a laxative were not as great as today. People lived normal lives, ate plain, wholesome food, and got plenty of fresh air. But even that early there were drastic physics and purges for the relief of constipation which Dr. Caldwell did not believe were good for human beings.

The prescription for constipation that he used early in his practice, and which he put in drug stores in 1892 under the name of Dr. Caldwell's Syrup Pepsin, is a liquid vegetable remedy, intended for women, children and elderly people, and they need just such a mild, safe bowel stimulant.

This prescription has proven its worth and is now the largest selling liquid laxative. It has won the confidence of people who needed it to get relief from headaches, biliousness, flatulence, indigestion, loss of appetite and sleep, bad breath, dyspepsia, colds, fevers. At your druggist or write "Syrup Pepsin," Dept. BB, Monticello, Illinois, for free trial bottle.
