MAY SERVE PORK FRESH BY USING PRESSURE CANNER

Fresh pork, formerly available on most farms at hog killing time only, may now be made available throughout the year by using the pressure canner.

This is how Mrs. Cornelia C. Morris, food conservation expert at the State College, tells how to do it.

Select fresh, clean meat without fat and cook for serving without over cooking. Season lightly with salt and pepper.

Canned meats are more attractive if no liquid is added to the pack, says Mrs. Morris.

CONFINED TO BED WEEKS AT TIME

"I used to be in bed for weeks at a time with terrible nervous spells; I suffered with indigestion and my whole system was out of order."

MRS. MINDA ALFORD was habitually constipated and my nerves were almost worn (ragged). Sarcos brought a wonderful change to me. I'm not nervous like I was, I sleep fine and am rested and full of life when I get up mornings. My appetite is wonderful and I've gained five pounds.

"Sarcos pills entirely rid me of constipation without the least bad effects."—Mrs. Minda Alford, 806 North Austin Street, Durham, N. C.

"VERY LATESTS"

By MARY MARSHALL

Always, no matter what the fashions, there will be the contrast between evening dresses of studied sophistication, and those of the apparently demure sort.

To the first sort we apply such ad-

jectives as smart, intriguing, striking, while the second sort are spoken of as pretty, picturesque or girlish. And while evening dresses of the first group are usually supposed to be especially appropriate to somewhat older women, it is to the very young women that they usually make their strongest appeal.

Nature Thought of Everything

Nature thought of everything when the human body was made. When the body is about to become ill, nature places danger signals to warn us. Thus, if our children grind their teeth when they sleep, or lack appetite, or suffer from abdominal pains, or itch about the nose and fingers, we should know that they may have contracted worms. Then, if we are wise, we buy a bottle of White's Cream Vermifuge and safely and surely expel the worms. Thus we avoid the danger of very serious trouble. White's Cream Vermifuge costs only 35c a bottle, and can be bought from Sold by Hodges Drug Co.

RELIEF FROM CURSE OF CONSTIPATION

A Battle Creek physician says "Constipation is responsible for more misery than any other cause." But immediate relief has been found. A tablet called Rexall Oserdies has been discovered. This tablet attracts water from the system into the lazy, dry, evacuating bowel called the colon. The water loosens the dry food waste and causes a gentle, thorough, natural movement without forming a habit or ever increasing the dose. Stop suffering from constipation. Chew a Rexall Oserdie at night. Next day bright. Get 25 for 25c today at the nearest Rexall Drug Store. Boone Drug Company

WHEN FOOD SOURS

ABOUT two hours after eating, many people suffer from sour stomachs. They call it indigestion. It means that the stomach nerves have been overstimulated. There is excess acid. The way to correct it is with an alkali, which neutralizes many times its volume in acid.

The right way is Phillips Milk of Magnesia—just a tasteless dose in water. It is pleasant, efficient and harmless. It is the quick method. Results come almost instantly. It is the approved method. You will never use another when you know.

Be sure to get the genuine Phillips Milk of Magnesia, the kind physicians prescribe to correct excess acids. 25c and 50c a bottle—any drugstore. "Milk of Magnesia" has been the U. S. Registered Trade Mark of The Charles H. Phillips Chemical Company and its predecessor Charles H. Phillips since 1875.
