Elkland High School Has Large Attendance

Elkland High School at Todd open ed Monday with a record attendance there being about 150 entering the grades and high school.

A number of patrons were present for the opening. The devotional exercise was conducted by Rev. Emory Moretz, Then Professor W. B. Bow in introduced the speaker of the day, Mr. W. G. Cole, editor of the Aske County Journal, who delivered an inspiring address which was much enjoyed by everyone. Following this, Prof. Bowlin called on Mr. I. E. Dunger, and the control of the contro can, member of the local school board, who spoke most interestingly of the changes that have taken place in the school since he came to Tode

in the school since he came to 1835, years ago.

35 years ago.

Following Mr. Duncan, Mr. Kon Pavis, of the faculty, talked for a few minutes about the progress of the school during recent years, and the largest mosneets for the gres-

cther teacher.

Mrs. Ron Davis again has charge of the first grade) Miss Laura Miller teaches second and third grades. Miss Yawn Watson, fourth and fifth, and Mr. Ron Davis, sixth and seventh grades. The high school is taught by Professor Bowlin and Miss Gindys.

Kelley.

Gives a large list of premiums for a great many farm and home products.

All exhibits must be entered by 10 o'clock Friday morning. September will be on exhibit for one day only and must be entered by 10 o'clock. Saturday morning of the 19th.

The anima program follows:

Increase Income by

By catting out it low grade timber and trees from overcrowded forests, farmers in North Cacolina can increase their income through the sale of wood to enumeral companies and agricultural boys, admission 10 and 25 cents.

to tweive inches in diameter and just the woods that pulp mills desire. Gom invited to come and bring an extrees, both black and sweet, and some defective poplars, also make desirable mill. Make it your fair!

ble pulp wood.

According to Mr. Graeber, the timber crop has great possibilities for the average farmer as a means of balancing his year-round program for the use of his labor and teams.

The pulp wood. for the use of his labor and teams. It will be profitable for every farmer to make an inventory of his woods and work out a program for taking a yearly harvest of such size that will give a perpetual crop, he says.

The extension forester from State College is available for assistance in solving these problems.

Halifax County farmers say that crops have never been better in that

Regular daily brushing cannot help but have its reward in a glorious wealth of hair.

Klenzo brushes with their specially prepared brsitles are guaranteed to stand the serv-ice demanded by thorough daily brushings. Start the brushing treatment today with a Klenzo

few minutes about the progress of the school during recent years, and of the bright prospects for the present school year. Each of the other toachers was then introduced by Professor Rowlin, who responded with short talks, expressing their pleasure at the opportunity to work in the school and pleaging their best work during the present year.

A good many improvements have been pushed about the building and grounds since last term. A new room has been added to give space for the grades of the additional reacher, last year's average having justified another teacher.

Mrs. Ron Davis again has charge

The entire program follows:
Friday morning to 10 o'clock, entry of exhibits; 10:00 to 12:00, judging of exhibits: 12:00 to 1:00, lunch Selling Waste Wood hour, during which the home economics girls will sell sanowiches and

and nulp mills. Much of it can also be used as fuel and the better timben saved.

A farmer can get from \$2.50.83 | 12:00, contests; 12:00 to 1:00, lanch | 15. The Taylor of the part of the saved.

Sunday School Lesson

REV. SAMUEL D. PRICE, D. D.

International Sunday School Lesson for September 13th MISSIONARY EXPERIENCES Acts xiv, 8-23

From Antioch in Pisidia Paul and Barnabas went to Iconium and the experiences at the previous station were repeated. At first there was marked interest on the part or both Jews and Greeks. All too soon jealousy again led to serious persecutions and the even all the even soul to the even soul t and the evangelists were forced t urther in carrying on their wo evangelizing. Let it be noted that no time did the toubles they men iuse them to abandon their pro-

Lystra was the next place for work, liere preaching seems to have been in the open and the usual crowd of cripples and beggars were part of the audience. Interest centers in a man who had been a cripple from birth. As Paul told of the power to teal on the part of this Messiah, who had been crucified and risen from the dean of the helpless man saw the first glean of her that

who had been crucified and risen from the dead, the helpless man saw the first gleam of hope that had appeared thus far on his horizon of life. His eagerness and faith were evidenced in his face, which when Paul noted brought forth the amazing command "Stand apright on thy feet." Forthwith there was a leaping into fullness of physical strength and soundness of hody.

The townspeople could explain the result only by thinking that their gods had come among them. They called Barnabas Jupiter, and Paul was named Mercury. Tradition says that Paul was baldheaded, short, bowlegged and had bad eyes, It was Barnabas who must have been fine in stature to be taken for their chief god. At once the priests of these supposed gods named and to offer a confilience. ged and the base have been fine in starting to be taken for their chief god. At once the priests of these supposed gods planned to offer a sacrifice and oxen were brought for the purpose. Paul would not accept any folse praise and it was only with difficulty that he made them accept the fact that he was just an ordinary man, but with a message that told about the only God, and His Son, the Saviour.

The wise man is occasionally ad mired, but far more interesting is he who has devised a new folly.

she will soon recover.
