CAMPUS SCENES

On one round trip across the campus I saw and heard: Clarence Berryman and Alverta Greene "pulling hands" ... Grace Hartley, Josephine Miller, Hazel Coffey, Wanda Gregg, Cleda Dula, Elise Pitts, Ruby White, Blanche Wooten and Evelyn Jenkins begging two little first grade girls to allow them, please, to jump the rope! —such "energy"! ... Lucy Coffey telling Nancy Ward that a certain Senior girl broke up her latest "love affair" ... yeah, Luda's always having them ... Francis Pitts grabs Ira Ford's arm and says in a low voice, "Come on, Ira, get away from that Agnes Wright a few seconds!" ... Irene Coffey throwing chalk vigorously at Von Hartley ... Virginia Gaiyen turns the dial on the school radio and dances joyfully across the library to the strains of "Turkey in the Straw" ... Lucy Wooten drops her head on Pete Lentz's manly shoulder and murmurs, "You're the one Petie boy" ... Mr. Bingham directing Rufus Gryder's driving of the tractor ... Cleda Dula and Wanda Gregg tied together by Jay Castle and them begging one of the teachers to "un-Siamese-twin" them! ... Evelyn Jenkins tells her better 99% (Blanche

Wooten) to swipe another one of Mr. Williams' cough pills ... Nellie Sides laying her slim fingers on "Rip" Eggers' white head and murmuring in a soft voice, "Hadn't you rather I'd be jealous than not to care, Rip?" ... Bessie Wooten singing "Good Ship Lolly-Pop" ... Ruby White asking Elise Pitts "Do I look sleepy?" Ruby musta been "up late last night; and that's one way of letting everybody know it ... Helen Gragg saying "Yeah, I cut that hole in my dress!" ... A Junior girl confiding to a Senior boy, "Honey, I'll tell ya if ya promise not to drop a word: the banquet scene is a basket ball court!" ... "Yah," the boys say later, "for why are they wearin' them funny skirts then? Why don't they wear basket ball bloomers, or shorts, or whatever it is?" ... Can't fool those wise guys! But wait till they see the hall! Then they'll get a surprise that will cheat them of five years' growth! ... Chas. Robbins asking Perry Ford what he did "that Thursday night" ... but these's been so many Thursday nights ... Perry replies ... Mr. Williams asks how the "secretary" is ... Jean Hartley rolls one sock a little lower, winks one eye knowingly and says, "Yeah—that funny gal thinks she'll catch my Claude, but she'd better watch her step; Claude's a one-woman man!" ... Mary Moody choked on chewing gum ... John Keller and Bill Tester talking about their girls fault ... yeah, they've both got the same "weakness" ... Lucy Greene! ... (Lucy, don't let 'em kid ya ... both of those guys "kid the line").

EXPRESSION OF THANKS

We take this means of expressing our sincere thanks to the good people of Watauga County for the acts of kindness and sympathy they bestowed upon us during the illness, death and burial of our dear wife and mother; also for the beautiful flowers which were sent. Words seem inadequate to convey our appreciation for these Christian acts which have meant so much to us during our hours of sorrow and despair.
