American Legion Urges Mothers Be Honored

J. Wilson Norris, commander of Watauga Post American Legion, Monday issued the following statement regarding observance of Mothers Day:

"Throughout America as well as the entire civilized world the second Sunday in May is known as Mothers Day. As the years go by the importance of that day becomes more apparent and the day itself attains a greater significance in human life. It took the World War to bring many of us to the realization of what Mothers Day really means.

"Anything that we may do or say on that day would indeed pay a small part of the debt we owe to the most wonderful of all God's creation, the mothers of men. Yet we have this opportunity to honor a living mother or pay our respects to one who is no more. We sincerely hope that every community in Watauga County will observe Mothers Day."

GOOD OLD DAYS!

THE RAMBLER

Whoopce! Spring's in the air, an' it won't be long now—er, that is, I mean school will soon be out, an' everything looks bright and rosy! Tsh, Tsh! I do believe I'm getting sentimental. And, goodie, goodie, goodie! ... the Junior Class rings have come! Didn't the Seniors look dignified Sunday night at the sermon? And, are you going to the graduation exercises? I can hardly wait to see the crazy looking expressions on the faces of the Jolly Juniors when we present them the cute lil' gifts we have in store fer'em! Won't it be fun? You are all invited to come. I suppose the show will come off in the auditorium of the college!

A most tragic thing has occurred down here at B. H. S. and it is about our beloved Miss German, the Home Ec. instructor. Yeah, you guessed it. The poor thing has the measles! If you see anyone driving through town or over towards the home of Ada Grace Redmond, nose in the air, and chest swelled with pride, in a new 1935-model Ford, it is Tom Blair Moore Jr. Uh, huh, his old man has recently purchased one, and he allows his young son and heir to sport about in it once and occasionally. ... You know there are just plenty of lil' love birds down here at B. H. S. Of course, I haven't time and space to enumerate, but I will name a few of the most conspicuous ones. ... Geneva Osborne and A. E. Hamby (are a cute couple) ... Ethel Davis and R. K. Bingham, you can see them standing by a secluded radiator most any old time—just radiating! ... Elise Pendley and Grant Ayers (theirs is a late thing) ... Edna Tate and J. R. Lewis (he has been chosen our most handsome lad!) ... Helen Gragg and Mack Greer (an interesting pair) ... Ada Grace Redmond and Tom Moore and Dwight Houck (I can't figure out for the life of me which one is the most favored!) ... Emma Miller is quite a popular girl with the gentlemen, but I don't happen to know her "steady." ... I guess I ha'

LOST FAT

BECAUSE SHE HEHEDED ADVICE OF DOCTOR!

AND DIDN'T LISTEN TO GOSSIPING NEIGHBORS!

Mrs. H. H. Long of Clarinda, Iowa, writes: "Kruschen was recommended to me by my doctor. Weight when starting was 226. Weight now after three jars is 208. Doctor says I'm doing fine."

When Kruschen Salts is prescribed by reputable physicians to safely take off fat and greatly improve health—why listen to gossipers who don't want you to be slender? Envious!

Have a mind of your own—get a jar of Kruschen today (lasts 4 weeks and costs but a trifle). Take a half teaspoonful in a cup of hot water every morning—tastes fine with juice of half lemon added. If you don't lose 12 pounds and feel years younger—money back. Boone Drug Company sells lots of it.

better "shut my mouf" about this subject 'cause I realizes I's on a dangerous ground.

I am very sad as I make this announcement, but it will prove to be good news for my readers. ... Guess! Well, this is my last installment for this school year. My, my! your shouts of glee simply deafen me! As I leave you, I have many good wishes for you. However, the uppermost one in my mind is that I hope no one else ever tries to write such bosh as this! Bidding you a tearful adieu, I remain yours till Niagara Falls.—The Rambler.

BOONES FORK NIGHT SCHOOL

At the gracious invitation of Dave Church the Boone's Fork night school held Friday night court at his home April 26th.

Worth Davis masqueraded as a negro boy, was tried for stealing chickens. He was defended by Blaine Coffey and Luoco Church. Lawyers for the state were Hill Wright and Dave Church.

The four well-versed attorneys, staunch in the conviction of their success, battled warmly with loud voices and mighty gestures till far into the night.

The evidence was weighed carefully by a jury new to the court and reported that the jury was undecided, which verdict calls for a new trial at the home of Mr. Davis Friday May 3.

Small grain crops over the State are expected to produce heavy yields this year.
