STATE HIGHWAY PATROL PROTECTS NEGRO CRIMINALS

RALEIGH, N. C.—No chance was taken of a repetition of the Franklin County lynching of a few weeks ago in two cases in which Governor Ehringhaus called out the State Highway Patrol to accompany criminals to State's Prison last Thursday and Friday for safe keeping, after they had committed atrocious crimes. George France, alias Jake Johnson, negro, arrested in West Virginia, was brought to the State line by Sheriff Sheffield and there met by about 20 patrolmen who accompanied them to Raleigh. France, or Johnson, is charged with criminally assaulting and robbing a 65-year-old woman in Rockingham County last winter. Ross Cline, trusty who escaped from the Alexander County prison camp, was brought to State's Prison after he had, it is charged, attacked criminal-

Stop Chills and Fever!

Rid Your System of Malaria!

Shivering with chills one moment and burning with fever the next—that's one of the effects of Malaria. Unless checked, the disease will do serious harm to your health. Safe to give children. Get a bottle at any drug store. Now two sizes—50c and \$1. The \$1 size contains 2 1/2 times as much as the 50c size and gives you 25% more for your money.

CANIPE PREACHES AT FOREST GROVE

"What Is True Forgiveness" Subject of Sermon; Many Visitors in Section. Review of Events.

(Special Correspondence)

Activities at Forest Grove Church Sunday, August 11, were: 10 a. m., Sunday School, directed by Superintendent G. D. Matheson; 2:30 p. m., a nice congregation composed of home folks and visitors from neighboring churches, were treated to a striking sermon from the subject, "The Home," delivered by Rev. J. A. Canipe. At 7:30 p. m. an interesting program was rendered from the subject, "What Is True Forgiveness?" conducted by Mrs. Floyd Warren.

This church has elected Rev. Canipe as pastor for the coming year, and he has made the announcement that he will be here to meet his regular appointments on the third Saturday and Sunday in September. Both of these appointments will be in the afternoon at 2:30 p. m. Visitors are cordially invited.

There were quite a few visitors in the community during the past week. Mr. Roby Johnson, a former school teacher and resident of this community, with his family, came from Kentucky to visit his son, M. R. Johnson, and many more relatives and friends welcomed the visitors.

Mrs. J. M. Matheson went to Cove Creek this week to visit her son.

Mrs. G. D. Matheson spent the week-end with home folks near Greensboro.

Mr. Orville Hagaman has been employed as foreman on the job of tearing down the old Critcher Hotel in Boone. Mr. Hagaman is employing some three or four of the community boys to assist him in this job. It is expected to last thirty days or more.

Mr. Bud Isaacs has just taken over a thirty-day painting job on Cove Creek.

Mr. Hill Eggers returned from Wilkesboro last week, where he had served as a Federal Court jurymen.

SO SHE WENT OUT AND SHOT THE CHINESE STUDENT

Disclosing the almost tragic end of a silly college joke when an impulsive co-ed solved the mystery of those threatening letters in her own way, pursued the startled student around the campus with a gun and finally put two bullets in him.
