Honor Roll For Second Month

There are certain things one must do to make the honor roll of Boone High School. A student must attend school 18 days of the 20 in the school month; an average of a "B" must be maintained on the subjects; also, the pupil must be ready to cooperate with teachers and other pupils for the good of all concerned.

Our Library

Our library is one of the most important factors in our high school as no one can be really educated without a good knowledge of literature. Our library does not possess enough books to furnish a school of half the size of Boone Hi.

Students entering as Freshmen find more books than they feel they can ever read, but by the time they are Juniors or Seniors they find there are very few books in the library that they have not already read. In these last two years the students are striving to prepare themselves for life. Many want to go to college. There they will discover a terrible lack of knowledge of literature.

We are slowly adding book by book to the library. At the present rate it will require some time to build up the stock to the needed amount.

We are putting out every effort to raise money for this cause and would appreciate the co-operation and aid of the citizens of our town in making ours a real library.

Stunt Night

On Thursday, November 14, Boone High's annual stunt night is to be given by the students. If you wish to laugh as you have never laughed before come to see and hear. The joy will be so great that the walls of the auditorium are likely to crack and split from top to bottom. You will be so happy that you came to see these students present their idea of a mythical evening that you will never forget this night of all nights. A small admission fee is to be charged, so in addition to your good time you will be helping our library and when you help the library you are helping our children to a richer and fuller life.

Journalism Club

The Journalism Club of Boone High School organized on November 7th. We elected Chloe Greer as editor-in-chief. The purpose of our club is to write worth while articles about our school and to help us individually in our writing. We have several members who have had experience in the club last year who are going to do a great deal toward helping the new members get started along this line.

Kaughn, a leader of the dry forces of North Carolina, spoke to the students. He read verses from Romans, Proverbs, Isaiah, and Habakkuk. All these verses pertained to the drinking of strong drinks.

He spoke to us on the care of our bodies, and on the detrimental effect of liquor mentally, as well as physically. He gave several examples in which liquor was the cause of death, poverty, crime, and unhappiness. He gave us the warning "Never touch it." This should be an inspiration to us to shun evil.

REMEMBER WHEN YOU USED TO SEW "LIKE MOTHER?" Doubtless you learned what little Miss Miriam Reeder has just learned from her mother. "When you sew anything, dear, it pays to sew it to stay.
