News and Views of the Farmers

By L. E. TUCKWILLER
County Agent
TOBACCO GRADING DEMONSTRATION

In order for the farmers to receive the top price for each grade of tobacco, he will need to make as many grades as his tobacco allows. Each year farmers lose money because they have their grades mixed. In order to help the farmers have a better understanding of the different grades, a government grader will be here to give four tobacco grading demonstrations in the county. The schedule is as follows:
Tuesday, Oct. 28, 10 a. m.—A. W. Greene, Meat Camp.
Tuesday, Oct. 28, 2 p. m.—W. M. Thomas, Mabel.
Wednesday, Oct. 29, 10 a. m.—D. F. Greene, Beaver Dam.
Wednesday, Oct. 29, 2 p. m.—Dwight Cable, Watauga River.

WATAUGA COUNTY FEDERATION

Members of all Home Demonstration Clubs in Watauga county will meet together for their annual Federation and Achievement Day on Wednesday, Oct. 29. The meeting will begin promptly at 10 a. m. at the Baptist Church in Boone with the president, Mrs. A. A. Greene of Deep Gap, presiding.

At the morning session, reports will be given of each club's achievements during the past year. The highlight of the morning session will be the talk by Mrs. Walter Pike of Hendersonville. Mrs. Pike represented the Western District Home Demonstration Clubs at the world meeting held in Holland during September, and she is expected to give an interesting report on her trip.

A small fair will be held in connection with the meeting, with the women exhibiting their skill in foods, clothing, handicrafts and canning. A number of Boone merchants have donated some very nice prizes for this event. These will be awarded at the afternoon session by Mrs. Pauline Hotchkiss of Raleigh, Western District agent. Mrs. Hotchkiss will also award a gavel to the club receiving the most points for number of women present and the number of miles traveled.

HOME DEMONSTRATION COUNTY COUNCIL

At 2 p. m. on Thursday, Oct. 23, the officers of all the Home Demonstration Clubs in Watauga county will meet at the home agent's office. This is a very important meeting and all officers are urged to attend.

Final announcements will be made for the annual Achievement Day to be held Wednesday, Oct. 29. It is also necessary to complete plans for next year's Home Demonstration program, and it is hoped that every club in the county will be represented.

REGISTERED TAMWORTH BOAR now ready for service. This is the bacon type hog. Fees reasonable. V. M. Presnell, Vilas, N. C. 10-23-3p

CARD OF THANKS

We wish to thank our many friends and neighbors for the many expressions of kindness and the beautiful floral offering incident to the death of our beloved son, and grandson, Kent Holman—Mr. and Mrs. Richard Greene, Mr. W. W. Holman.

NOTICE OF ADMINISTRATION
Having qualified as administrator of the estate of Henry Fox, late of the county of Watauga, this is to notify all persons having claims against the estate of the said deceased to present them to me for payment within 12 months of the date hereof or this notice will be pleaded in bar of their recovery. All those indebted to the estate are asked to make immediate payment.
This October 14, 1947.
OTHA ANDREWS, Admr. 10-23-6p

Farm Forestry Plan
Every farmer who has timber on his farm should consider it as another crop. It provides fuel wood, fencing, building repairs, pulpwood, lumber and other products for sale to increase the farm income. Therefore, every farmer should have a farm woodland plan. He should know the trees that need cutting for lumber or other uses and by all means he should know how to care for his timber crop.

If you are interested in learning how to make out a forestry plan on your farm, make plans to attend the meeting at 9:30 a. m. Saturday, Oct. 25 at W. F. Norris's farm at Todd. The group headed by John L. Gray, assistant extension forester, and R. A. Vogenberger of T. V. A. will leave the county agent's office at 9:00 a. m. Transportation will be provided by the county agents. Anyone wishing to go should contact the county agent before Saturday, Oct. 25th.

Hereford Show
All Hereford breeders of Watauga county are invited to show Hereford cattle in the Hereford Show at 10:00 a. m. Friday, Oct. 31 at the Farmers Burley Warehouse.

No prize money is available, but ribbons will be given for the first three places in each class.

GIFTS TO THE EDITOR
The Democrat acknowledges gifts of three unusually large Irish Cobbler potatoes, from Mr. S. F. Moody, while Rev. Tipton Greene brings in a bag of Siberian crab apples which he gathered from the State farm. These crabs, red in color and much larger than the conventional crab, are said by the minister to be excellent for making preserves and jelly. The kindness of these two gentlemen is appreciated.

CARD OF THANKS
We wish to thank our friends for their many kindnesses and expressions of sympathy during the illness and burial of our husband and father—Mrs. Paul Klutz and family.

Increasing Output Places Farm in 'Factory' Class

The latest concept is of the farm as a factory, as a heavy power user, as perhaps the greatest potential market for integral horsepower motors in the next decade.

Farm cash income from the sale of dairy products in 1945, set a new record with receipts totaling \$3,070,000,000. This amount is more than twice that received for dairy products during the 1935-39 period.

A total of 1,070,000 new residential and farm customers was added to electric lines in the United States during the first eight months of 1946. The majority of the new customers are farmers.

World War II veterans, who are thinking of becoming part-time farmers, are advised by agricultural authorities to select their farms carefully, paying special attention to the following desirable factors: Availability of electricity, location on a hard road, reasonable distance to travel to the nearest town, good soil and a house that is in at least reasonably good condition.

Gross earnings of farmers are expected to show a 10 per cent increase in 1946 over the peak reached in 1945. The average annual value of farm production per worker expanded from \$360 in 1870 to \$2,500 in 1945.

REA cooperatives pay private utilities at the rate of more than 100 million dollars per year for electricity, which they purchase at wholesale and retail to their members. One farm magazine estimates potential sales of automatic water heaters at 251,000 units per year.

FREEZER GRIPS BOY'S TONGUE

Cleveland, O. — Mistaking a valve on a deep-freeze cabinet for a drinking fountain, little Joseph Demko, 4, tried to get a drink of water. Instead, his tongue stuck to the refrigerated cabinet. His mother first tried to pull him away, then grabbed the tongue. It came loose, but a piece of skin remained.

Prolonged Rain Gives Way to Sun

The prolonged rain which visited the mountain region and fell almost incessantly around Boone for a week, has subsided, and given way to warm sunny days, with cool nights and comfortable day-time temperatures. The balmy autumn weather and frost-painted forests are bringing large numbers of visitors from the low country into the hills on week-end excursions.

DWARF CATTLE HERD

Clinton, Ill.—Cecil Meyers, after spending 18 months and traveling 20,000 miles, brought home a herd of five cows and bulls, which altogether weigh only 1,015 pounds, less than the weight of one average steer. Meyers has what he believes is the world's only herd of dwarf cattle.

GREYHOUND FARES ARE...

Still the Biggest Bargains in Travel!

Today's sky-scraping cost of living makes it necessary for all of us to buy wisely, to be choosy in our purchases, to get the most for our money...

That is exactly why so many people who make business or pleasure trips these days wisely select THE BIGGEST BARGAINS IN TRAVEL — by going Greyhound!

Only Greyhound offers the organized services of a nationwide transportation... only Greyhound gives you the comfort, the convenience, the economy that goes with such an organization.

Greyhound has bought hundreds of new coaches—more modern, more comfortable, more reliable... Greyhound is building new terminals, Post Houses, wayside stations... Greyhound provides thousands of agents who are experts in planning travel, as well as the most highly trained motor bus drivers in the nation, to get you there safely, in good time, and with pleasure.

All this service, and all these facilities go to you at costs that have remained well in hand, no matter how prices of other services or commodities have soared out of reach.

Truly, there is no need to look further for bigger bargains in travel. Any time, all the time—your best buy is Greyhound!
