

APPALACHIAN HI SCHOOL NEWS

County Spelling Bee
The county spelling bee sponsored by the Journal and Sentinel of Winston-Salem was held at Appalachian high school Friday, April 9. Norma Greer, seventh grade of Boone Demonstration school was winner. Bobby Hodges, fourth grade, Valle

Crucis was runner-up. Mr. Thompson is Norma Greer's teacher and Mrs. Thompson is Bobby Hodges teacher. Other participants in the contest were Donnie Carroll Wilson, 6th grade, Mabel school; Peggy Wellborn, 4th grade, Stony Fork; Jean Hollars, 8th grade, Cove Creek; Selma Lee Foster, 8th grade, Blowing Rock and Earline Jackson, 7th grade, Green Valley.

Norma Greer will represent the county in the state contest at Winston-Salem on May 1. Assembly Program
Rev. J. K. Parker, Jr. gave an interesting talk to the students of Appalachian high school last

week. His subject was, "Choices We Must Make In Life." The address centered on present day living. Mr. Parker stressed the part that every day decisions are hard to make, and serious thought should be given in making the decisions. His address was enjoyed by everyone.

Resource-Use Education Meeting
The Appalachian faculty had a meeting on Tuesday to discuss resource-use education. Miss Virginia White James, education specialist of T. V. A., Knoxville, Tenn., and Dr. Ira N. Chiles, Area Education officer of T. V. A., Knoxville, Tenn., were present. Mrs. Donald Thompson, and Mrs. Wallace from Valle Crucis school, and Miss Helen Burch from Appalachian State Teachers College were also present.

The meeting was conducted as a discussion group in which the purpose of Resource-Use education was said to be a study of the needs of children and adults in the community, a study of the resources available to meet those needs, and then making the main objective of all teaching the solution of those problems using every resource of the present day civilization to realize that goal, thus improving the living conditions of all.

Seniors Visit National Capital
A group of seventeen seniors left last Monday morning for a conducted tour of Washington, D. C. During the week they were taken to the major points of national significance and interest. At the Capitol a guide explained the various parts of the building as to historical background

and architecture. Both Senate and House Chambers were visited; the sub-way was taken to Senator Hoey's office where the group was given a letter of introduction to the White House guides and cards allowing attendance at a session of the Senate. Other buildings visited included Smithsonian Institute, the Bureau of Printing and Engraving, Lincoln Memorial, Jefferson Memorial, the Supreme Court building, Washington Monument and the Congressional Library, where the Declaration of Independence and the Constitution were on display. One morning the students visited the White House, and were allowed to go through the downstairs rooms. At the National Art Gallery was an exhibition of the German masterpiece, which U. S. soldiers discovered in some salt mines in Germany. Another afternoon was spent at the Franciscan Monastery and at the zoo. At another time the group was taken to Mt. Vernon, Arlington National Cemetery, to visit the tomb of the Unknown Soldier, and the Lee Mansion. On Tuesday the miles-long Army Day Parade was observed from Constitution Avenue.

The Seniors making the trip were: James Graham, Ralph Hodges, C. M. Harrison, Conley Greene, Sue Ann Marion, Ada Belle Moretz, Fred Miller, Van Farthing, David Edmisten, Jack Norris, Buck Robbins, Suzanne Coffey, Hasseltine Hofer, Mary Lee Stout, Robert Teague, Pete Storie and Jimmie Cook. They were accompanied by Mrs. John Lovegrove and Mrs. Lee Stout.

Seventh Grade Play
Mr. Thompson's seventh grade presented a one act comedy, "It's The Simple Life", in assembly Friday morning. The characters were as follows: Janet Weatherby, Beth Eggers; Cal Weatherby, Jimmie Cline; Grandmother Weatherby, Rosella Stansberry; Rita Hall, Patricia Aldridge, George Eastman, Charles Taylor; Bill Marlowe, Armfield Coffey.

Bobbie Greer, Martin Banner, Patsy Ann Swift, Mary Sue Walsh, Johnny Horton, Cathryne Thompson and Ralph Presnell. The play was well presented and showed remarkable progress on the part of the students and splendid coaching by Mrs. Gladys Bingham and Miss Anna Mae Sherwood. Louise Greene, Maxie Harmon, George Mast and Johnny Banner, all of the sixth grade, acted as ushers.

Emogene Hollars of the eighth grade, section C, represented the school in the Winston-Salem Journal-Sentinel spelling bee which was held in Boone last

Friday. While she was not county winner the school congratulates her on her splendid ability in spelling.

The Publication Club and shorthand class had a skating party at the Cove Creek Gymnasium on Friday night, April 2. Refreshments were served afterwards. Miss Roxana Bingham and Mr. Osborne were the teachers in charge.

The Red Raiders baseball team are still trying in vain to schedule a game with Boone. So far no games with other schools have been scheduled but there

will be two after-school games this week with non school teams.

FIRE COSTS LIFE AND \$75,000
Zanesville, Ohio — Kerosene from a blowtorch spread over the clothing of James W. Stiles, 19, starting a chain of circumstances that caused a \$75,000 fire and took his life. After the boy's clothing caught fire, flames spread to the shed he was working in. Then a loading platform caught fire, an oil tank exploded, two freight cars on a siding were destroyed and a large building burned down. Stiles died of burns several hours later.

MARKETING with Margorie

In the spring a housewife's fancy rightly turns to thoughts of cleaning. But she still can't neglect thoughts of food for her brood. Below—some of mine:

LIGHTNING LUNCH
When hungry small fry come tearing into the house just as you're in the midst of tearing it apart, split, toast, and butter as many MARVEL SANDWICH ROLLS as they can eat (at least 2 apiece if they're as fond of A&P's delicious, oven-fresh rolls as my youngsters are!) . . . spread with peanut butter, jelly or cheese and sound roll call! P. S. Here's another hunch for lunch: MARVEL SANDWICH ROLLS with chopped round steak. They make a hamburger heaven!

SPEDDY SUPPER
Do you have to hustle to rustle up supper on cleaning day? Serve A&P'S ANN PAGE PREPARED SPAGHETTI in its own tasty tomato and cheese sauce. Or combine a can of it with a cup of sliced onions sautéed in fat; pile into lengthwise halves of green peppers (boiled 5 mins. in salted water); place in shallow baking dish with a little water, and bake in moderate oven, 375° F., 25 mins. Serves 4.

LINOLEUM LOW-DOWN
If "water, water everywhere" is your spring-cleaning slogan, remember: Linoleum, like small boys, doesn't take kindly to too much water. Wash it with as little as possible, working on a small area at a time. When dry, apply BRIGHT SAIL LIQUID WAX, which requires no rubbing or polishing. You'll take a shine to it and to all A&P'S BRIGHT SAIL cleaning aids!

FISH FLASH
For an extra-easy dish, choose fillets of fish! And for an extra-flavorful fillet, fill it! Like this: Wipe 1 lb. of fillets with damp cloth. Melt 1 tbs. shortening. Add 1/2 onion (diced), 1/2 green pepper (diced), and sauté 5 mins. Add 1 tsp. Worcestershire sauce and a 27-oz. can of tangy A&P SAUERKRAUT. Spread on fillets; roll like jelly roll and fasten with toothpicks. Put remaining filling in greased casserole with fillets on top and bake in hot oven, 400° F., 25 minutes. Serves 4.

COVE CREEK HI SCHOOL NEWS

Miss Helen Burch of A. S. T. C. and a member of the Resource-Use Committee visited our school last week for an open forum meeting. She was accompanied by Dr. L. C. Childs and Miss James of the T. V. A. The meeting involved the high school and eighth grade teachers only. It was the first meeting of its kind at our school and served as an introduction to the manner in which the Resource-Use Commission may function in benefiting schools.

Miss Stiles gave the entire student body the advantage of seeing two films which had been brought to school primarily for use in geography class. They were pictures of the Carlsbad Caverns and the Santa Fe Trail. After the pictures had been shown she gave a very interesting discussion of the Carlsbad Caverns.

The Cove Creek Elementary school presented a play Friday, April 9, at 8:00 p. m. The play entitled "The Elusive Aunt Laura." The following students took parts in the presentation:

For Extra Roominess and Riding Comfort
GET A NEW GMC

You're in for a wholly new conception of truck comfort when you look at a new light and medium duty GMC cab. It's away bigger than any previous GMC design . . . 7 inches longer, 12 inches wider across the floor. There's 22 per cent more visibility through larger windshield and windows. There's draft-free comfort provided by new insulation, weather sealing, plus a unique fresh air ventilation system, with heating and defrosting if desired.
