Lamb Show And Sale

Douglas Clawson's 4-H lamb was judged grand champion at the second annual Tri-County Junior Lamb Show in Boone, June 10. Judge Alex Meek, Jr., of N. C. State College, picked this blocky 132 pound lamb to top a

strong class of 78 lambs from the counties of Ashe, Alleghany and Watauga. 2nd and 3rd places were won by Jessie Colvard, Crumpler, Ashe county, 4th by Jack Colvard, Ashe county, 5th by Phil Farthing, Watauga, 6th by Jack Colvard, 7th by Clint Reese of Watauga.

First for pen of three lambs shown by one club member went to Jessie Colvard, 2nd to Jack Colvard, 3rd to Betty Lou Thomas, all of Ashe county, 4th by Baker Edmisten, Watauga and N. C. State College, picked this blocky 132 pound lamb to top a

went to Jack Colvard, Ashe county, and second to John Kennedy, Alleghany county.

Douglas Clawson won another first in the class for lambs sired by registered Hampshire rams. Jessie and Jack Colvard took second, third and fourth places, and Sherwood Bingham, F. F. A. boy from Cove Creek won fifth.

First for registered ewe went to Bobby Gene Norris and second to Clint Reese, both of Watauga county.

Ashe won the county group of five, Alleghany second with Watauga third.

Watauga county had 34 lambs, Ashe 24, and Alleghany 20 in the show.

The program was conducted by the Watauga County Council of 4-H Clubs, Elmo Moretz, president, presiding. Douglas Clawson won the admiration of the spectators with his demonstration on how to produce quality lambs. The girls of the council sold refreshments and assisted with the program in many other ways.

Out of county guests at the show and sale included R. W. Shoffner, district agent for the western district, Oscar Phillips, 4-H club leader for the western

district, L. I. Case in charge of extension animal husbandry, State College, C. E. Pike, in charge of marketing extension, C. A. Ellickson from Swift and Co., Columbus Ohio.

In the auction sale that followed the show, the champion lamb sold to Swift and Co. for \$1.00 per pound bringing a total of \$132.00, believed to be the highest price ever paid for a club lamb in N. C. Hollars Grocery paid 80 cents for the reserve champion. Watauga Inn, Blowing Rock, purchased five lambs at 37 cents down to 32 cents. Swift and Co. purchased the remainder at prices ranging from 34 cents to 27 1/2 cents per pound. The sale averaged \$32.65 per hundred pounds or \$31.18 per head for the 62 lambs sold. H. M. Hamilton, Jr. was auctioneer.

The Tri-County Junior Lamb Show was organized in 1947. The first show was held at Jefferson in July 1947. The 1949 show will be held in Sparta, Alleghany county.

The show and sale is sponsored by Boone Lions Club, Jefferson Rotary Club, Sparta Clubs and the extension service in the three counties.

Food Conservation

Miss Nita Orr, extension home economist in food conservation, will be in Boone on Friday, June 25th to give a demonstration on the preparation of foods for freezing. The meeting, which will be held at the Frozen Food Locker Plant, will begin promptly at 10:00 a. m.

Prior to her recent appointment as extension economist in food conservation and marketing, Miss Orr served as home demonstration agent in Tennessee for fourteen years. She also spent two and one half years as a frozen foods consultant with a large commercial concern in Bristol.

High Point has been selected as one of 70 cities in the nation in which a survey will be conducted to determine what city families are eating in 1948.

Meat production in each quarter of 1948 will probably be smaller than a year earlier. National hog production decreased 3 per cent in 1947.

For the seventh straight year, the early spring lamb crop is smaller than the previous year. The number of sheep on N.C. farms continues to decline.

What's the Hottest News in Cars since the Self-Starter?

FOR the answer to that, just ask any man who drives a Dynaflo Buick.

He'll tell you, you haven't seen anything yet — until you slip behind a Dynaflo wheel and see for yourself what this new drive does.

It isn't merely that it's easy — though all you do in normal driving is set a lever, press the gas treadle, and steer.

It isn't merely the "stunts" you can pull, such as coming to a dead stop on a steep hill, then moving smoothly away, just by the way you manage the gas treadle.

The important thing is that Dynaflo Drive* marks a basic change in the way power is delivered from the engine to the rear wheels.

The idea of passing through a series of gears in fixed stages, either manually or by mechanical means, is gone entirely.

Instead, spinning oil is so cunningly directed and controlled in

the Dynaflo unit that it instantly shapes engine power to fit any normal driving need.

When you start, it steps up engine "torque" like a low gear to give you swift, surging getaway.

When you accelerate or climb, it fits the pull of the engine to that particular job.

When you cruise on the level open road, it delivers power with a flowing smoothness that is far silkier than the normal high.

You have manual control of direction simply by moving a lever. You have reserve braking power instantly at your command — and extra power for emergency pulls.

But there is never any clutch-work — there is no clutch-pedal. And never any gearshifting in the old

sense—your power plant does what the forward gears used to do.

Right now, of course, Dynaflo Drive is available only on Buick Roadmaster models.

Go find out about it, at the nearest Buick dealer — and be ready to put your order in, whether or not you have a car to trade.

*Optional at extra cost on Roadmaster models only.

BUICK alone has all these features

- * DYNAFLO DRIVE (Optional, Roadmaster Series)
- * TAPER-THRU STYLING (Super and Roadmaster)
- * VIBRA-SHIELDED RIDE * SAFETY-RIDE RIMS
- * HI-POISED FIREBALL POWER
- * ROAD-RITE BALANCE * RIGID TORQUE-TUBE
- * QUADRIFLEX COIL SPRING
- * SOUND-SORBER TOP LINING (Super and Roadmaster)
- * DUOMATIC SPARK ADVANCE
- * FLEX-FIT OIL RINGS
- * TEN SMART MODELS * BODY BY FISHER
