Whitener Gets Florida Post. Rogers (Spud) Whitener, son of Mrs. D. H. Whitener of Spindale, who is receiving his bachelor of science degree at Appalachian State Teachers college on August 27, has just received word that he has been granted an assistantship at the University of Florida at Gainesville for next year. The assistantship will be in the department of English. It will extend from September 1948 to June 1949 and will pay a stipend of nine hundred dollars, plus remission of out-of-state fees, bringing the total to around thirteen hundred dollars for the year. Mr. Whitener has been an outstanding student at Appalachian, majoring in English and social studies, he has been an honor student, and for two years in succession has been chosen for "Who's Who in American Colleges and Universities." His junior year he was selected by the students as the most valuable student enrolled. Mr. Whitener edited THE APPALACHIAN, the college newspaper, and attracted widespread attention with his success. He has been a member of the glee club for four years and the acappella choir for three. He has been a member of the Playcrafters for four years, president of his class for two years, and glee club president. For two years, during the summer, he sang and acted with Paul Green's "Lost Colony" pageant on Roanoke Island. He is a veteran of three and one-half years service in the North Pacific Theater during World War II. Mr. Whitener, possessed of an unusually fine baritone voice, has been studying voice with Miss Virginia Wary for four years. He will give his senior voice recital at the college on Friday evening, August 20. The public is invited. During his stay at Appalachian Mr. Whitener has been most generous with his talents in connection with civic, religious and other affairs, taking part in dozens of public programs, sometimes at last-minute notice. His generosity has made many friends for him among the business and professional people and the citizens of the town.
