ROB RIVERS

DR. MOOSE, who opened his apothecary in Boone just as the roaring twenties were coming in, and who now claims the distinction of having been in business longer in Boone than any other local merchant, took to the air waves Saturday, during the street broadcast, and did a good job of boosting the shopping district, and the Burley warehouse . . . Bob Agle pinch-hitting for Happy Sam Fowler, expertly conducting the Broadcast Man why it is all years and be down the street. wrapped warmly in woolen blan-

ket, unmindful of the fact that at Boston. the kiddie's legs were protruding tobacco hanging to Christmas decorations, where heavily-loaded truck had passed . . . youngster holds striped stick of candy in teeth, cigar-style, as he passes the bag to his friends . . . and Worthwhile club women get ready to fill the stockings of the kiddles who sort of missed the gravy

SOME OF US are inclined to forget in these days of plentiful currency, and abounding opportunity, that there are still folks who just can't make the grade . . . many of these folks make an earnest effort to get along, but something just goes wrong . . . They were not endowed with the genius to hit the ball in a highly competitive system of enterprise, and their kiddies don't have enough candy and stuff at Christmas time, or maybe enough of the necessities through the remainder of the year . . . We are gratified that the empty stocking fund is taking care of a lot of these children at Christmas time, and those who are doing this work and contributing to its su ta appropriately observing the day of the Prince of

BUSINESS MAN remarks of a at West Point has woman in the community, who nounced by the army. has a mighty interest in the "little . . the people who just don't have enough of anything, most of the time . . . This lady, who likely wouldn't want her name mentioned, spent Thanksgiving in her kitchen preparing food for families who she felt had a fairly bare cupboard, and had a mighty good time . . . It is heartening to those of us who have

DEMOCRATS AND REPUB-LICANS alike have been telling us just what turned the tide for Truman . . . some say the farmer did it . . . others say Dewey was too far above the masses in his approach . . . others vow a favorable reaction came from the constant abuse of the Missourian . . . while some perhaps get in closer with the statement that the New Deal is still popular with more than half, and that Truman merely held aloft a torch another had lit and . . dropped . . . Lloyd Lewis, literary critic and historian, quoted by Winchell as saying: Truman was pretty dramatic and all that. But the real winmer was the ghost of a manwith dead legs. Five times in a row. Four times alive. One time a phantom. And now he is haunting all who hated him!"

HAVING DECIDED to use the Ladies Night accommodations earmarked for somebody else, and go to Wash ington to see Harry go into business on his own, was interested in the long range weather foreany worse than the bleak day in will be a moving picture entitled, night, December 19th, at 7 tered the home of eighty-year1947, when we stood in a chilling "The Fabric of Our Lives." o'clock.
