EDMISTEN FURNITURE CO.

Enjoy DOUBLE COMFORT This Winter with the 2-Way HEAT ACTION of this New Coleman OIL HEATER. Model 444D. Here's the greatest little big-heat producer that ever warmed a home—of office, work shop, garage, filling station, tourist cabin! Gives you real two-way heating service. RADIATES heat and CIRCULATES heat both at the same time—circulates 11,000 cubic feet per hour of freshly warmed, health-conditioned air for warm floors and corners plus radiant heat for quick, intense warmth. Operates on amazing low draft—provides more heat with less fuel. Unusually wide heat range. Burner can be turned so low it uses as little as 1/2 pint of fuel per hour—or turned up to flood room with 31,000 heat units per hour. Eliminates bother and mess of small wood, coal or kerosene heaters—and does far superior heating job. See it today!
