

NEWS FROM THE BETHEL SCHOOL

The Junior Class of Bethel Hi school will present a three-act comedy, entitled "A Ready Made Family, Friday night, March 16, at 8 o'clock in the school auditorium. The proceeds from the play will help to pay the expenses of the Junior-Senior banquet.

The leading roles of newly-weds are played by Maude Wilson and Dean Hodges. Each, unknown to the other, has children by a former marriage.

Mrs. Farthing, Mrs. Bates, Mrs. Todd and Mrs. Greene had their rooms painted recently. They are pretty and clean. Mrs. Farthing and Mrs. Bates' rooms are green and Mrs. Greene and Mrs. Todd's blue. Today Mr. Farthing painted the tables. We are proud of these improvements.

Mr. Gentry requested that we have clean up week. This was heartily supported by every room in school, and definitely was a wonderful project.

The Parent-Teachers Association held its regular meeting on March 12. This was one of the best meetings of the year and well attended by parents, students and teachers.

Mr. Dickerson had charge of the program. Groups of children from grade four through the eighth presented the program. The next meeting will be April 9th and will be our last meeting for this school year.

Mr. Johnson, eighth grade teacher, is confined to his home suffering with influenza. Mrs. Minnie Johnson is substituting for him.

Raleigh Roundup

by James H. Fou Bailey JUST FERTILIZER . . . Consideration last week of a bill which would require motorists convicted of speeding to have governors placed on their cars and thus keep the speed to a maximum of 50 miles an hour brought up the yarn about the colored gentleman who was on his way from Lumberton to Whiteville.

He was clipping along in his pickup truck at around 65 miles an hour when he heard what he described later as the "sireen of the gray goose." It was a patrolman—or petroleum, as some people refer to him—and he pulled up beside the truck and asked the driver if he knew how much speed he was making. No, boss, he didn't.

"Have you got a governor on your truck?"

"No sire, Boss, that's just a load of fertilizer."

TOSSING IT AROUND . . . This story was tossed around last week as if it was new and they were having a big time with it. As a matter of fact, the yarn was for this school year.

getting plenty of laughs several years ago when Senator Clyde R. Hoey was Governor. In fact, he seemed to get a big kick out of telling it on himself.

TAKING IT EASY . . . A legislative measure which would change the senatorial representation in the State does not seem to be making too much headway. This General Assembly has matters of more importance to consider, thus the bill may be delayed out of existence. However, sooner or later a reapportionment may be effected. The Mecklenburg Senator represents 196,000 people; the Guilford Senator, 190,000; and the Forsyth Senator, 150,000. Senators from the more populous counties represent 100,000 people or more.

In the eastern and far western counties, the senators represent around 50,000 people each. It is proposed that there be a redistricting, with three or four of the big counties having two senators each, and enlarging some of the senatorial districts in the less populous areas.

This looks good on paper. However, the less populous counties are in the majority and their

senators happen to be among the most able in the Legislature. That's why you are not likely soon to see any drastic rearrangement of senatorial districts.

REPORT . . . The sub-committee named to make recommendations to the Joint Appropriations Committee should be prepared to make its report by the latter part of next week. The Joint Finance Committee has lopped off the head of each attempt to raise any taxes. Its work may be completed within the next day or two.

As day follows day, it becomes more apparent that there will be no new taxes and no alteration in our present tax schedule. Estimated State income will probably be increased from \$146,000,000 to \$156,000,000. This \$10,000,000 increase—\$20,000,000 for the biennium—should prove sufficient to help the teachers, the State employees including the Highway employees (who need assistance just as much or more than the teachers), and to give assistance to our more pressing social needs.

FOR CONGRESS? . . . The

Statewide prominence which has come upon Junius Powell of Whiteville through the success of his bill which will mean so much to municipalities in the construction and upkeep of streets has people of the Seventh Congressional District saying he may run for Congress against Ertel Carlyle next year. Senator Powell is a strong man and will be a big threat if he runs.

NOTES . . . South Carolina Governor James Byrnes has turned down an invitation to speak to a joint session of the House and Senate here this week. He will be in town speaking to the N. C. Citizens Association.
