WHEN IT'S TIME TO ACT

Thank **JERRY COE**

There's real risk in cutting
corners, when it comes to
insurance. Maybe too little
insurance is better than
none. But why not know
you are fully insured! See
us this week.

COE INSURANCE AGENCY

"OH, FOR PEACE AND QUIET!"

Whether you are a businessman or a housewife, a fellow who makes
the wheels go 'round, or a woman in industry, there come times when you
long for peace and quiet.

You'll find quiet in woods like these, but not a silence. The wind
whispers through the trees. Birds murmur softly. Insects squeak tune-
lessly. The soft lap-lap of water against the shore is like distant drum-
beats. There is infinite peace, but never silence.

Much closer to you is another haven of peace—your church. Here
too you will find quiet, but no dead, spiritless silence.

Instead you will find relief from your worries, and inspiration to keep
doing your best. You will find the friendliness of others like you seeking
inspiration in these troubled times.

For the peace and quiet that will carry you serenely through the
week, go to Church Sunday.

HOLY BIBLE

**THE CHURCH FOR ALL . . .
ALL FOR THE CHURCH**

The Church is the greatest factor on earth for
the building of character and good citizenship.
It is a storehouse of spiritual values. Without a
strong Church, neither democracy nor civilization
can survive. There are four sound reasons why
every person should attend services regularly
and support the Church. They are (1) For his
own sake. (2) For his children's sake. (3) For the
sake of his community and nation. (4) For the
sake of the Church itself, which needs his moral
and material support. Plan to go to church regu-
larly and read your Bible daily.
