T. I. Holloway Given Degree

Thomas I. Holloway, Jr., son of Mr. and Mrs. Thomas I. Holloway, Sr., graduated Thursday evening, September 23, from the Milwaukee School of Engineering, Milwaukee, Wis. He received the degree of bachelor of science in electrical engineering. Holloway, a veteran of the army, attended Cove Creek high school.

A total of 53 students were candidates for degrees at the commencement exercises, one of four which the school holds each year.

Of the 157 American colleges and universities which granted bachelor of science degrees in electrical engineering during the 1952-1953 academic year, the Milwaukee school ranked 11th in the number of such degrees awarded. These are the latest figures published by the U. S. Department of Health, Education and Welfare.

MSE began its second half-century of engineering education this year and more than 50,000 students have attended the school which annually has students enrolled from all 48 states and more than 20 foreign countries.

bers of her chapter at her home in Cherry Park, Saturday, September 25.

After the lunch many business matters were presented and voted upon. Mrs. Council and Mrs. D. J. Whitener gave brief reports on a State planning meeting which they attended recently.

Teen Canteen Provides Pastime For The Kiddies

Many parents and a few teen age children have not heard of what Boone is doing to provide wholesome entertainment for their children. This program is carried out just one night a week, but on that night, the boys and girls have the time of their life. The program will build as enthusiasm and attendance grow at the gatherings, and they are asking the cooperation of all parents who are interested in their child's welfare.

Since they meet just above the Blue Ridge Supply, equipment is limited, but they try to make up for it in good wholesome recreation. Square dances, charades, cards, games such as wink, poor kitty cat, rhythm, fruit basket turn over, scrabble, and refreshments lead the list of activities. The Canteen has an excellent record player, card tables, concession box, cards, and in the near future hope to have a ping pong table to add to the variety.

The recreation commission has employed a sponsor for the canteen and there are two to three chaperons at every gathering. Dr. Crew, new principal is the fall chairman, and will be at most of the meetings.

Last year there was a membership fee of one dollar. This has been discontinued and everyone is invited and urged to come at

your candy or drink. This is only a start of what the canteen hopes will one day grow into a community recreation center which will be enjoyed by all the citizens of Watauga County.

Farm chickens sold this summer have been bringing farmers the lowest price since 1942.

Country dwellers increased from 18 million in 1940 to about 30 million in 1953.

Rye producers in North Carolina report a six per cent drop in production from last year.
