News Of The Week At Appalachian Hi School

The club program of Appalachian High School, one of the major phases of the activities program, is under the direct supervision and administration of the activities committee. The Activities Committee consists of four faculty members and three members of the student body, with one of the faculty members serving as chairman. The three members from the student body are selected by the student council.

The club program is restricted to the activity periods on Tuesdays and Thursdays.

The two weeks orientation program has just been completed. Each student has been given the opportunity to visit a number of clubs so as to aid him in making a decision as to which to join, if any.

Each club is sponsored by or has as its advisor one of the faculty members of the high school. The main emphasis in these clubs is on development of student leadership and participation. Therefore the teacher-sponsor remains in the background, so far as is possible, and serves more or less as a consultant. It is not compulsory for a pupil to be a member of any club. If the pupil so desires he may spend the club activity period studying his regular class work.

A list of this year's active clubs is as follows: On Tuesdays—Boys Glee Club, Home Economics, Future Farmers of America, Annual Staff, Wildlife Sr. Division, Wildlife Jr. Division, Visual Aids, Science, Library Assistants, Quiet Social Games, Games, Paper Staff, Future Business Leaders of America, Music Appreciation,

and Spanish Club.

On Thursdays—Girls Glee Club, Girls 4-H, Boys 4-H, Boys "A", Assembly, Angler and Fly-tying, Folk Dancing, Quiet Social Games, Model Builders, Dramatics, Photographers, Debate, and Radio. The following clubs meet on call: Student Store, Monitors, National Honor Society, Cheerleaders, and Girls "A". The Student Council meets as a group on Monday with the executive committee meeting on Tuesday.

The participation and awards in connection with the activities program will be controlled through the use of the point system.

J. V.'s Win

Appalachian High's "B" squad rolled over Beaver Creek's Green Beavers by a score of 13 to 0 on the Beaver Creek field last Thursday night. The future Blue Devils were never in serious trouble as they held the Beavers to two first downs while they moved for twelve first downs and two scores.

In the second quarter after a sustained drive of sixty yards on end runs, short passes and plunges up the middle J. W. Wellborn plunged over from the four on a quarterback sneak. For the extra point, Wellborn ran another quarterback sneak. The second score came in the third quarter, Appalachian moved the ball to the Beaver's two yard line. A fumble lost the ball, but four plays later the Beavers were forced to kick. The kick was short and the Little Blue Devils had the ball again on the 15. A pass play from Wellborn to Johnny Hodges was good on the first

Teachers May Get Free Film

Watauga County teachers will be offered a series of sound color, free-on-loan movies by different agencies to help here this Fall and Winter in classroom forest fire and timber thinning discussions, it is announced in a bulletin received here from the headquarters of the Southern States Forest Fire Commission, Inc., Birmingham 5, Ala. who are interested in tree and game protection education in this area.

In addition to the free films, the Commission also announces that teachers may obtain some very beautiful color bird and wild life charts without cost and which are furnished by various State and private agencies.

Requests for applications for free movies and also booklets and other material should be made direct to the Birmingham office of the Commission, the announcement adds.

Fire Prevention Week Set Aside

With fires accounting for 19% of all fatal non-transport accidents in North Carolina in 1953, Fire Prevention Week, scheduled for October 3-9, is worthy of special attention, according to authorities of the District Health Department.

Safety authorities agree, however, for effective fire prevention, activities must continue for 52 weeks each year.

The third Tuesday in every month, the high school and elementary schools are dismissed at 2:45 p. m. in order that the teachers may have more time to visit.

Want to make the Beautiful Buy?

You can't beat success in an automobile for proof of value. So take a look at the national sales figures and you find this fact: Buick today is outselling all other cars in America—regardless of price class—except two of the so-called "low-price three." And when you look at the "tomorrow" styling of this glamorous beauty—when you try it for V8 power, for room, for comfort, for ride—and when you check its low delivered price—you have all the reasons for Buick's soaring success.

Want to get the Top Allowance on your present car?

The more cars we sell, the better deal we can make with you. So with our tremendous volume right now, we can offer you more money as an allowance. That means we're passing our success on to you where it counts—in the fewer dollars you pay for this dazzling new Buick.

Want to be sure of a High Resale Value?

Buick today is graced with modern beauty—year-ahead styling that's bound to stay fresh and new-looking for years. It's what the other cars will come to in the future. So you can be sure that you'll trade high later when you're ready to resell the Buick you buy right now. Come in and make the buy of the year in Buick. You'll find you're way ahead now—and at trade-in time well in the future.

Now's the time to make your buy because—**Buick Sales are Soaring!**
