Low...and behold!

The motoramic Chevrolet for '55

Chevrolet and General Motors took a whole new look at the low-cost car
—and just look what happened! NOW BEING SHOWN!

The Bel Air Sport Coupe—one of 14 new Fisher Body beauties in three new series.

The valve-in-head V8 as only the valve-in-head leader can build it! **8**

Now Chevrolet, the leading builder of valve-in-head engines, introduces the "Turbo-Fire V8." It carries the V8 design to a new high in efficiency with its high horsepower (162), high-compression (8 to 1), high performance and surprisingly high gas mileage. Available with standard transmission, or with the extra-cost options of Overdrive or Powerglide.

6 You can choose from two new sixes, too!

Chevrolet also offers the last word in six-cylinder performance and economy! There's a new "Blue-Flame 136" teamed with Powerglide and a new "Blue-Flame 123" with either standard transmission or Overdrive.

The motoramic Chevrolet

More than a new car—a new concept of low-cost motoring!
