

Appalachian Hi School

Appalachian High School Blue Devils notched their fifth win against one loss Friday night on home ground by defeating Mountain City by a score of 74-51.

The Blue Devils took a quick lead of eight to nothing, and from that point they held a commanding position throughout the game.

High scorer for the Devils was Bob Watkins with 25 points, followed by Bobby Wilcox and Jimmy Hayes with 18 and 16 points, respectively.

Jim Lowe of Mountain City was high for both teams with 31 points.

The Blue Devils will travel to Beaver Creek Friday night in an important conference game. The team will appreciate the public's support.

Music Masters Meet

The first meeting of Modern Music Masters was held in Appalachian High School band room on January 1 at 8 p. m.

The following persons were inducted and given pins, as well as membership cards: Landrine Eggers, Jerry McCracken, Tad Buckland, Richard Greer, Nancy Hollingsworth, Patsy Hollingsworth, Jo Ann Hardin, John Hodges, Mary Lawrence, Pat Maddux, Bob Watkins, Bill Gragg, Betty Swain, Billy Joe Williams, Everett Lowman, Sheila Gilley, Linda Wey.

Mr. J. Perry Watson and Mrs. Nick Erneston are sponsors.

Others attending were Dr. A. B. Crew, Mr. Gordon Nash, Mr. Nick Erneston, Mrs. John Buchanan, Mrs. G. P. Eggers, and an alumni band member, Robert Bingham.

The Tri-M, as the club is called, is a national honor music society. Its purpose is that of recognizing outstanding music students.

Members are chosen from the band, chorus, and glee club. They are judged on their musicianship, scholarship, leadership, character, and cooperation.

Glee Club Contest

The Glee Club, under the direction of J. Perry Watson, is rehearsing for the contest in March that will be held in the college music building.

Since rehearsals are ordinarily held once each two weeks, Mrs. Erneston will assist by directing part time, in order to provide extra practice for the pupils participating.

Some members of the club are working on "Come Again, Sweet Love" by John Dowland, and "Out in the Field" by Christopher Tho-

mas. Officers of the club are as follows: JoAnn Carroll, president; Sheila Gilley, vice-president; Betsy Rogers, secretary-treasurer; Mary Elizabeth Watson, reporter; and Carol Redmon, librarian.

Wins Over Morgantown

The Blue Devillets defeated Morgantown Tuesday night, December 18, at Morgantown for the second time this season with a score of 87-45.

Mary Mast was high scorer with 26, and Pat Hollingsworth was next with 10. The high scorers for Morgantown were Byrd, with 19, and Watts with 13.

The A.H.S. girls played fine ball on both offense and defense and held the lead throughout the game. The season record is 2-3.

Wildcats Down Devils

On December 18, AHS traveled to Morgantown and was met by defeat 38-45.

The Wildcats, hitting consistently throughout the game, came up with their first victory. Led by Jaynes, who was high for both teams with 18, they hit with deadly accuracy. High for the Blue Devils was Jimmy Hayes with 14 and followed closely by Bobby Wilcox with 13.

Locker Rules Enacted

For several years a suitable plan for locker visits between classes has been a problem in Appalachian High School. Recently the

school spent \$700.00 for lockers to be placed in the dressing rooms of the gymnasium. These lockers serve as a storage place for gym clothes; therefore, it is no longer a necessity that students go to their lockers between each two classes.

Under regulations recently enacted, students are permitted to go to their lockers at the following times: (1) Before and after school; (2) during the ten-minute break after second period, and (3) during the five-minute break after the fourth period. In this way students may be carrying books for only two classes.

The reasons for this new regulation is to prevent too much noise in the hall, to speed the hall traffic, and to eliminate undue noise on the second floor during the first lunch period.

Pupils who do not bring necessary materials to classes will be sent back for them, and will be given a tardy slip from the office. Students who go to their lockers at any time not designated will be given a tardy slip.

TO STUDY AID PLAN

A Citizens Advisory Committee, headed by Benjamin Fairless, retired chairman of the board of United States Steel Corporation, left Washington recently by plane on a trip around the world to survey for President Eisenhower how the United States foreign-aid program is working. They will make twenty stops, from Madrid to Tokyo, returning to Washington February 17.
