Enjoys Democrat

Even though I have been away from Boone for over 30 years, I still look forward to the arrival of the Democrat each week.
I especially enjoy your column, "King Street," and items from early Democrat files, and of course the news of Boone and Watauga county, which the Democrat so ably covers.

Has Read It 44 Years

Just happened to notice date on wrapper of the Democrat which informs me that my subscription is about to expire. After being a subscriber for 44 years I can't afford to let that happen, therefore I am enclosing my check for a renewal. Will be delighted to have any of my friends visit with me if and when they pass this way.
Respectfully,

AN IMPORTANT MESSAGE

To The

PEOPLE OF WESTERN NORTH CAROLINA

Travel along the Blue Ridge Parkway plays an important part in the economic life of this community. The 1956 travel survey shows that more than 5,000,000 persons visited the Parkway. The money spent by these travelers has been channelled into every type of business in western North Carolina.

National Park Concessions, Inc., under contract with the Department of the Interior, provides services to Parkway visitors at Cumberland Knob, Doughton Park and Crabtree Meadows. Employees of this organization have directed thousands of travelers to motels, hotels, restaurants and garages located in the vicinity of the Parkway. This corporation (not a government corporation) purchased more than \$109,000.00 in merchandise and supplies from Western North Carolina businesses during 1956. During this same period, 68 residents of North Carolina received \$43,000.00 in salaries and wages.

Elaborate accommodations are not planned for the Blue Ridge Parkway; however, it is evident that some additional facilities are needed to attract more visitors.

National Park Concessions, Inc., is promoting travel to this region through the nation-wide distribution of 50,000 colorful folders annually. More travel means more jobs and more income for the people of North Carolina. We are pleased to be a part of your community and are interested in the progress and development of this area.

A greater travel industry can be developed through the cooperative efforts of all the communities along the Parkway. When this objective has been accomplished, many more millions of visitors will spend vacations in Western North Carolina.

IT'S THE DREAM CAR TO DRIVE
—THE BIGGEST VALUE TO BUY

ONLY a few dollars more than the price of a smaller car—for a big and brawny Buick! But that's just part of the news.

Do you know this spanking Buick is new from the rubber up?

That it has an all-new body—and a windshield with over 200 square inches of new visibility?

Do you know its roof line is inches lower — yet there's full headroom, legroom, footroom for all six passengers?

All this took some great engineering. But where the engineers went all out was in making this the *dream car of the year to drive.*

New engine—new Dynaflo* response—new steering—new ride—more than 150 other chassis changes that make this, in fact, the most completely new Buick in years—offered at a price level that makes it literally true: *if you can afford any new car you can afford a Buick.*

And what a buy you'll get for your money! See your Buick dealer, take the wheel—and find out.

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick build today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

ANSWER THIS QUESTION

Am I My Brother's Keeper?

Those words do come from the Bible. And they have sometimes been quoted to justify a man's lack of concern for the welfare of others.

When we quote Scripture we must be careful WHOM we are quoting!

It was Cain, the first murderer, who asked that biting question. God had said, "Where is Abel, thy brother?" And Cain was trying to escape the consequences of his crime.

Each of us is responsible for his brother's welfare. That is the very reason this feature is appearing in your newspaper.

You and your family need the spiritual resources our churches offer. In whichever Christian congregation you select there are waiting to welcome you many men and women and young people whose faith has taught them a deep concern for their brothers.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. These are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
