

Resolutions Praise Ministry Of Mr. Vance

Whereas, in the providence of God, Brother C. O. Vance tendered his resignation as Pastor of the Oak Grove Baptist Church, Three Forks Baptist Association, Boone, N. C. on January 23, 1957 to accept the unanimous call of the Mount Carmel Baptist Church, Buncombe Association, Asheville, N. C., and,

Whereas, we are grateful to God for his work in the Association over a period of ten eventful and progressive years which has won for him and his fine family the love, confidence, co-operation, and loyal support of the people of this county; and,

Whereas, Brother Vance has made an immeasurable contribution to the overall work and total support of the entire Baptist program of our Association, State and Southern Conventions, in the promotion of the Kingdom work of our Sovereign Lord committed to us, by serving faithfully and loyally as Chairman of Evangelism, Chairman of the Missions Committee, President of the Pastors Conference, and presently

serving as Moderator of our Association, and,

Whereas, Brother Vance has given full proof of his labors for God through the demonstration of his cooperative spirit as a Missionary Baptist Minister.

Be it therefore resolved: First, that we, the ministers of the Three Forks Baptist Pastors Conference highly commend Brother C. O. Vance to your spirit of work and fellowship in the Buncombe Association and Pastors Conference.

Second: that our prayers, love, confidence, and support shall follow him in his ministry among this fine spirited group of Baptist's with increasing interest and concern, to the Glory of God and to the Salvation of lost souls in the effort of making "The Kingdom's of this world to become the Kingdom's of our Lord, and of His Christ."

Third: that copies of these resolutions be furnished the Watauga Democrat for publication therein; the Oak Grove Baptist Church; the clerk of the Three Forks Association; the clerk of

the Buncombe Association; the Pastors Conference, Buncombe Association; the Biblical Recorder; the clerk of Mount Carmel Baptist Church, and the Rev. C. O. Vance.

He is due to report March 20 to the large training base for minor league clubs in the Kansas City chain at Huntsville, Tex., with a possibility of assignment to a league in which he has the ability to play.

"You can rest assured that the boy will be well taken care of while he is out there," Klutz wrote in a letter to Triplett. "I will personally see to that. I hope that he can do the job, as we need ball players badly."

Triplett, who has been named as an "assistant scout" for the Kansas City organization, said he is always ready to help our local boys get going in baseball.

Total Of 1,059 Given Salk Shot At Clinic

A total of 1059 students and teachers received Salk Poliomylitis Vaccine during the two-day clinic held at Appalachian State Teachers College, Dr. D. J. Whitener states.

Of this number 700 paid for the shots (students pay after the age of 20) and 359 were given free shots. Dr. Whitener said that an estimated four or five hundred students had already had shots and that now almost 90 or 95 per cent of everybody on the campus have had Salk Vaccine.

The shots were administered by Mrs. Mary Shook, ASTC nurse, assisted by Mrs. Nina Martin and Mrs. Nancy Thomas.

The program is sponsored by the National Foundation for Infantile Paralysis, Watauga County and State health authorities, and Appalachian State Teachers College. Dr. Whitener said Dr. Mary Michal of the Watauga County

Health Department was most helpful in securing the vaccine. Mr. John Pritchett was chairman of the publicity campaign.

Dr. Whitener stated that the next shot would be given in the spring before school closes, followed by another in the fall.

serve System the responsibility for creating monetary conditions favorable to the maintenance of high-level economic stability." In times like these, I thought, this is of greater importance to all of us than ever before. At one window, checks were coming in by the bales from member banks, for which this big one serves as a clearing house. Next time you see a cancelled check from your local bank, look at the back of it and probably you'll see your Federal Reserve Bank stamp there. Ninety percent of our business is now done by checks, this bank here handling nearly two million checks a day, with some 90 people doing this job. Currency was present too, over a million dollars in 10-dollar bills lying in one corner. Over a billion pieces of paper money are counted here each year and some of it is found unfit for further circulation. So they cut the bills in half, mail them separately to Washington where they are checked and destroyed, being replaced by new currency from the Treasury.
