Here's what makes it a new kind of Ford

The frame is wider... wheels are lower
(Lets you ride sweet and low)
 Never before has a low-priced car hugged the road so well. Partly, it's because the frame is sturdier. Partly, it's because the wheels are smaller. Partly, it's the way front and rear suspensions take tilt out of turns. Mostly, it's because there's a whole new smoother-riding quieter-going "Inner Ford."

The power is bigger
(Most power in Ford's 25 years of V-8 leadership)
 And what a V-8 engine! You can have the kind of Thunderbird power that smashed records at Daytona... set a new stock car mark at Indianapolis... traveled 80,000 miles in just 20 days at Bonneville, Utah!

The comfort is greater
(You've never had it so plush)
 You sit in the lap of luxury. There's head room, hip room, leg room galore. And wait till you get a load of those new upholsteries and color schemes!

The body is "beefier"
(Up to 9 inches longer, 4 inches lower, with full head room, full road clearance)
 From top to floor, front to rear, this body is built like a "battleship." You ride surrounded by new strength.

...and best of all it's the lowest priced* of the low-price three!

ONE FRIDAY

When we become mired in the routine of life, one day is like any other. This was just another working-day for most of the people in Jerusalem.

Three men died on Calvary Hill. One of them was the Galilean!

Business as usual in Jerusalem. Unless we understand the whole significance of what is happening we pay little attention...

Do you understand what happened that Friday. Do you realize WHO hung on that central Cross. Do you know WHY He died. And FOR WHOM?

There is nothing more necessary in our lives than the deep, personal knowledge of what happened that Friday... and the Sunday following.

Come to Church!

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
