*Dear Mr. Gragg:*

*In my hour of sorrow myself and my two children deeply appreciate the fact that you offered and sold to my husband, Blaine Hayes, the life insurance under the Home Protection Plan in the Security Life + Trust Company that will pay ~~will~~ pay off our loan. Had it not been for this I see no way we could have paid for our home. Again thanking you. I am  
yours truly  
Mrs Blaine Hayes*

Full Payment of The Mortgage on The Home Is, And Should Be, The First Thing To Be Considered In Any Man's Over-All Life Insurance Program

### Here's What The Home Protection Plan Is:

- ★ Life insurance to insure the borrower to repay his loan in full in event of his death.
- ★ A small monthly premium, paid with the loan payment, covers the cost.
- ★ Premiums reduce each year as the amount of the loan decreases. You pay only for the amount of insurance necessary. No unnecessary frills and extra expenses.
- ★ Available frequently without medical examination. If examination necessary, it is done at no expense to the borrower.
- ★ The HOME PROTECTION PLAN is surprisingly low in cost for the value offered.
