

Green Valley School

Fifth Grade News
We are happy to have Bill Adams in our class. He comes to us from Parkway School.

Even though we have had a lot of sickness, we still have four students with perfect attendance. They are: Kenneth Miller, Floyd Greene, Thurman Main, and Betty Shoemaker.

We would like to express our thanks to our parents, friends, and school teachers for all the acts of kindness shown to us during the school year.

Jean Miller, Johnny Moretz, and Larry Carroll have recently had birthdays. Doris Trivette, Dean Trivette, Sylvia Norris, and Elizabeth Miller will have birthdays during the month of May.

The boys and girls are looking forward to having their annual spring picnic.

Mrs. Greene's Sixth Grade

The sixth grade elected superlatives recently. They are as follows:

Most popular, Joyce Ragan and Jackie Shore; Most likely to succeed, Ruth Ellen Moretz and Roland Jones; best sports, Loyce Ragan and Paul Bryan; prettiest girl and best looking boy, Polly Ann Clawson and Roland Jones; best all around, Polly Ann Clawson and Paul Bryan; most athletic, Joyce Ragan and Roy Miller; best student, Lois Ragan and Lewis Winebarger; best dressed, Ruth Ellen Moretz and Keith Norris; best citizens, June Main and Jimmy Honeycutt; cutest girl and boy, Lois Ragan and Keith Norris; best singers, Joyce Ragan and Ernest Lewis; most polite, Ruth Ellen Moretz and Jerry Tester; friendliest, Polly Ann Clawson and Ernest Lewis.

Polly Ann Clawson had a birthday May 6th.

Seventh Grade News

We are glad to have Elbert Adams come to our class from Parkway School.

There are five people in our room who have not missed a day this year. They are: Allen Culler, Delmos Greene, Jeannie Greene, Nancy Williams, and Nancy Coffey.

We have enjoyed having our student teacher, Mrs. Margaret Idol, with us this term. She has not only worked with us in the classroom but has been unusually interested in our music rhythm program and has coached the girls softball team since the day she came. She will receive her B. S. degree in grammar grade education from A. S. T. C. on May 17, Eight Grade.

We were glad to have Dr. Crew and some of the students from

Appalachian High School visit with us and tell us about the various subjects and activities that we will be able to take part in next year in high school. We are now planning our next year work at Appalachian High.

On Wednesday of this week Mr. Perry Watson, the band director at Appalachian came and talked to us about the band program for next year. We are hoping that some of our class will be able to play in the band before too many years.

We welcome to our class J. B. Sluder from the Mabel School.

On Tuesday the softball teams from the seventh and eighth grade played Mabel in softball. We enjoyed the trip and playing the game even though we were on the short end of the score in both games.

Two students from our room celebrate birthdays in May, they are Gilma Brown and Peggy Moritz.

Cold Turkey Rates High For Eating

Cold turkey sandwiches and ice-cold beverages are high on the list of menu favorites for the next few weeks as "Old Mr. Sun" does his best to drive people to shaded places at mealtime.

Always a favorite as a sandwich meat, turkey is plentiful and at good prices at this time of year. It's a good idea to take advantage of turkey available and serve it often.

Try this Lucky-Seven Sandwich—for size and flavor:

Place buttered slices of bread side by side on a luncheon plate. Top with Swiss cheese, lettuce, tomato and turkey in the order listed. Cover with Thousand Island dressing or pass dressing. Garnish with egg slices, bacon and olives.

For each sandwich use:
2 slices buttered bread
2 slices Swiss cheese
2 lettuce leaves
2 slices tomato
2 slices cooked turkey
Thousand Island dressing
2 slices hard-cooked egg
2 slices crisp bacon
Olives

Serve this delicious sandwich with cold cranberry sauce. Your hungry family will be glad you did. This might even be a suitable treat for your next luncheon get-together with your friends.

March chain store sales were 4.3 per cent below 1956 level.

News Of Appalachian Elementary School

A spring festival of music will be given by the elementary school students on Friday morning, May 10th, at 10:00 a. m. in the school auditorium. The festival is directed by Mrs. Wilson and Miss Eggers with the help of various classroom teachers. Parents and other interested persons are invited to attend.

N. C. E. A. Banquet

Faculty members of our school and their guests attended the North Carolina Education Association Centennial Banquet held at the Blowing Rock School Friday evening, Mr. Lloyd Isaacs, of the N. C. E. A. staff in Raleigh, was the guest speaker.

Assembly Program

The students in Miss Ogg's first and second grade presented the Mother Goose Story in song on Friday morning, May 3rd, for the primary grades' assembly. The following students participated in the program:

John Nifong, R. V. Smith, Keith Miller, Betty Black, Victoria Gilley, Laura Jones, Mary Keller, Patsy Rose Miller, Linda Roark, Patsy Roten, Barbara Tatum, Linda Phillips, Brenda Wilson, Linda Cornell, Lois Wilcox, Valerie Ragan, Margaret Dyer, Tommy Council, Manly Mast, Larry Norris, Ancil Parsons, Dwayne Trivett.

Cove Creek Elementary School News

The Cove Creek P. T. A. will meet at 7:30 p. m. Monday, May 13 for its final meeting of the school year. The incoming officers will be installed.

Miss Stiles' High School Glee Club will present the program.

Fifth And Sixth Grades

We are happy to have Glenda Edmisten back with us. She spent the winter in New Mexico and gave our room a very vivid account of her extended western trip.

Visit Cove Creek High

Cove Creek, Mabel and Valle Crucis eighth grades enjoyed spending Friday, May 3 at Cove Creek High School. During the morning boys and girls from each school participated in twenty-one different field events. After lunch all eighth graders visited each department of the high school. Mrs. Dave Mast and members of the National Honor Society entertained the eighth graders with a movie and a tea. It was a very interesting and enjoyable day for all.

Answers Given To Farm Questions

QUESTION: What can I do about leaf gall disease on my azaleas and camellias?

ANSWER: This condition is apparently more common on camellia sasanqua than on camellia japonica, but attacks both varieties, and azaleas too. Leaves become thickened, curled, fleshy, pale green to white or pink in color and frequently form a white powdery surface. The disease can be controlled by hand picking and burning the affected leaves, or by spraying in the spring after the blooming period with a 3-1-50 Bordeaux mixture.

QUESTION: What type of soil is best suited for the production of gladiolus?

ANSWER: Gladiolus grow in a wide variety of soil types but does best on well-drained, sandy loam soils such as Portsmouth and Norfolk. It can be grown in relatively heavy clay soils, and is often grown on very light sands in the coastal area.

QUESTION: Will mulches rob soil of nitrogen?

ANSWER: To some extent, yes. Organic matter as it mixes with the soil will temporarily tie-up nitrogen. You can overcome this by adding extra nitrogen, as it is needed to keep the plants in a vigorous growing condition. It will all eventually be returned to the soil.

IF you're looking in the low-price field...

READ THIS STARTLING FACT

5 out of 10 Smaller Cars wear a Pontiac Price Tag —yet none give you Any of Pontiac's Advantages

PONTIAC GIVES YOU UP TO 8.9% MORE SOLID CAR PER DOLLAR!

Not one of the smaller cars can give you the heavy-duty construction, the road-hugging **lift and solid security** that surround you in every Pontiac. Yet Pontiac's the **humblest heavyweight you ever managed**—and your Pontiac dealer can show you more than six dozen advanced-engineering reasons why! Pontiac has gone all out to make this genuine big car the most docile package of might you ever had the pleasure of **boasting**. You'll find Pontiac's exclusive **Precision-Touch Controls** make steering and braking the surest, easiest you've ever experienced! Park it, cruise it, try it in stop-and-go traffic... this is driving the smaller jobs can't possibly equal.

PONTIAC GIVES YOU 4 TO 7 INCHES MORE WHEELBASE!

The small cars extend bumpers and fenders to look big—but Pontiac puts the extra length where it counts—between the wheels! Here's extra length that brackets the bumps instead of riding on them. And this extra length shows up inside, too, in stretch-out space for six footers. Add to Pontiac's bonus in length its all-new suspension system and you have an exclusive **Level-Line Ride** no car at any price can surpass... and a built-in sense of direction and security that will spoil you for the smaller cars forever!

PONTIAC'S PERFORMANCE TOPS THE BEST THE SMALL CARS CAN OFFER—BY A WIDE MARGIN!

Not one of the smaller cars can measure up to Pontiac Performance. Whether you judge a power plant by engineering statistics or on-the-road performance, Pontiac's Strato-Streak V-8 stands head and shoulders above anything in the low-price field. Your Pontiac dealer will be happy to show you a complete facts-and-figures comparison—then an eye-opening test drive in traffic or out on the highway will supply all the heart-lifting proof you need that Pontiac has separated the men from the boys when it comes to performance!

—AND PONTIAC HAS ALWAYS BEEN FAMOUS AS ONE OF AMERICA'S TOP TRADE-INS!

Maybe it comes as a surprise to you that so much more car can be yours at the same price you've seen on the smaller cars. But there's the fact! And Pontiac is a wonderful investment, too! As you know, it has always commanded a top trade-in. So why not step out of the small-car class and into a Pontiac... there's nothing in your way. Your Pontiac dealer has the keys and an eye-opening offer waiting for you right now! So why not look and feel like a million—instead of a million others?

"Can You See, Steer, Stop Safely? ... Check Your Car—Check Accidents."
