U. S. RED CARPET
The United States Government now owns a red carpet to be used for rolling-out purposes whenever foreign dignitaries visit in Washington. The new carpet was used for the first time upon the arrival of Prime Minister of Japan, Nobusuke Kishi, in Washington.

Methodist District Meeting Is Set

The North Wilkesboro District of the Methodist Church set up meeting, including a brief called session of the District Conference and the annual meeting of the District Mission Society, will be held at the Boone Methodist Church Sunday afternoon, July 14, at 3:30 o'clock. The Rev. G. R. Stafford, superintendent of the district, will preside.

Among those expected to attend from the twenty-six pastoral charges are the district stewards, church lay-leaders, delegates to the last district conference, chairman of the commissions on education, finance, membership and evangelism, the charge treasurer, president of the Woman's Society of Christian Service and members of the district mission society, Methodist men, and pastors.

The Rev. W. J. Huneycutt, pastor of Hawthorne Lane Methodist Church in Charlotte, will be the main speaker. Mr. Huneycutt was formerly district superintendent of the Waynesville district.

Arrangements have been made for the group to have supper together immediately following the meeting which will adjourn about 5:30 o'clock.

VFW Auxiliary Meet Tonight

The Ladies Auxiliary to Watauga Mountaineer Post 7031, Veterans of Foreign Wars, will meet Thursday, July 11 at 8:00 p. m. at the Post Home to make final plans for a fried chicken supper to be held Saturday, July 13 at 7:00 p. m. Tickets are now on sale at the Post Home at \$1.00 each.

As a part of their community service and civil defense programs the Auxiliary will place without charge several copies of "Survival", a Civil Defense handbook, in public places in Boone. "Survival" gives the complete pattern for Civil Defense as set up by the United States Government office of Civil Defense. It gives definite instructions to be followed before, during and after an atomic attack. These books are being placed in Boone as a community service with the hope of saving lives if and when an atomic attack should occur.

CONSUMER PRICES
Consumer prices reached a new high in May for the ninth consecutive month, with rising food prices a major factor in the increase. The upward trend, combined with a downward trend in the number of hours worked a week led to another small drop in factory workers' purchasing power. The Bureau of Labor Statistics' consumer price index rose 0.3 per cent in May to 119.6. This was 3.6 per cent higher than in May, 1956.

PEDESTRIAN DEATHS
In a year when automobile fatalities reached a new high, 7,950 pedestrians lost their lives, 60 fewer than the previous records set in 1954 and 1953, respectively.

Bishop Noth Of Saxony Speaks At Holy Trinity

Bishop Gottfried Noth of the Lutheran Church of Saxony, East Germany, emphasized the common ties of Jesus Christ binding together all people and all churches in a short greeting to a congregation at Holy Trinity Lutheran Church at Deep Gap Sunday. To say that "everything is different" in his area from here would be true, even though there is so much that is the same for all peoples.

Bishop Noth is one of a group of Lutheran churchmen taking part in a Southern Regional Theological Conference at Lutheridge near Asheville this week. The party worshipped at the Deep Gap church in their journey by automobile from another similar conference in Pennsylvania to Asheville.

Dr. S. P. Hebart of Australia, Dr. and Mrs. Ernst Kinder of West Germany, and Dr. Hans H. Weisgerber of Switzerland were the other foreign members of the party. Dr. and Mrs. Charles F. Carroll of New York and Dr. Hagen Staack of Pennsylvania accompanied the group which was joined in this area by Dr. F. L. Conrad, president of the North Carolina Lutheran Synod and his wife.

The distinguished visitors joined in the Holy Communion of the Lord's Supper shared by a Fellowship Service of the three churches of the Boone-Watauga Lutheran Parish of which Rev. George W. Shuford is pastor. Following the service, the people of Holy Trinity Church, Holy Communion Church, and Bethany Church participated in a "dinner on the grounds."

The visiting churchmen are in this country for the 1957 Assembly of the Lutheran World Federation, composed of more than forty million Lutherans from all over the world, which will be held in Minneapolis later this summer. A series of regional conferences are being held in various parts of the country prior to the Assembly.

Bishop Hanns Lilje will join the group at the Asheville conference, which concludes with a rally at Hickory Thursday night.

Rev. Mr. Jones To Be Speaker

The Rev. James A. Jones, D. D., will be the guest speaker at the Rumble Memorial Presbyterian Church of Blowing Rock next Sunday morning at 11:00 o'clock.

For a number of years Dr. Jones was pastor of the Myers Park Presbyterian Church of Charlotte. Recently he accepted the presidency of Union Theological Seminary of Richmond, Virginia. A native North Carolinian, Dr. Jones is an outstanding leader in all phases of the work of the Southern Presbyterian Church. While in Blowing Rock, Dr. and Mrs. Jones will be guests of Mr. David Owens at his summer home, "Pineacres."

On the second Sunday of August Grandfather Home Day will be observed in the Rumble Memorial Church under the sponsorship of Mr. Owens, Nationally known and loved artists of the musical world will sing the old songs that we all know and love.

On the thirty-eighth anniversary of Grandfather Home Day last year the collection mounted to more than \$13,000. A larger sum is expected this year.

On the third Sunday of August, the 18th, the Honorable Luther Hodges, Governor of North Carolina, will be the guest speaker in the Rumble Memorial Presbyterian Church. This service will honor all visiting Rotarians in the area. A special invitation will be given to the members of all the Rotary Clubs in surrounding cities and towns. Governor and Mrs. Hodges will be guests of Mayview Manor while in Blowing Rock.

Poultry meat production was up 14 per cent for the first quarter of 1957 while the prices received by farmers was down about 13 per cent.

Give Your Home A Raincoat

Tight construction and a good coat of paint used to be considered the best protection against weather damage to wood used in buildings. But these frequently prove inadequate, as anyone knows who has struggled with problems of blistered paint and rotting wood on the exterior of his house. Now an extra "raincoat" is available. It's a water-repellent wood preservative.

This preservative, according to L. E. Tuckwiller, Watauga county agent, is pentachlorophenol, often referred to simply as "penta." This can be purchased under various trade names, already mixed in a water repellent solution, or as a concentrate to be mixed according to directions given on the label.

Tests carried out show that wood siding readily absorbs moisture when it is subjected to a driving rain or water running down over it. Due to capillary action—the tendency of a liquid in contact with a solid to flow upward—raindrops actually climb up under the siding.

On a newly painted house a paint film may stop this action, but the slightest crevice permits the joints to soak up water like a sponge. When this happens paint blisters or, as the water drips out the same way it entered, it leaves streaky stains from wood, building paper or rusty nails.

In replacing rotted siding, soak or dip the new wood in a penta solution, suggests Mr. Tuckwiller. Or if boards are sound and the house simply needs repainting, scrape and sand blistered areas. Then, before new paint is applied, brush a penta, water-repellent preservative into overlap joints and butt ends. Joints on door and window trims and house corners should be treated too, especially where old paint has loosened. Excess penta that runs down over the paint should be wiped off with a cloth dampened with paint thinner. Allow the penta to dry thoroughly before the house is repainted.

LIFE INSURANCE
For the first half of 1957, purchases of new life insurance totaled \$33,000,000,000, thirty per cent above the 1956 period, according to the Institute of Life Insurance.

An angry man is Sylvester T. Bly,
Who today was sold a piece of "blue sky."
He'd stepped in a showroom—out of the rain,
Was sold a new car before he could explain!
How he hated the styling—so high and square
And in new features it was really bare.
"I got a real bargain—the buy of my life—
But how do I ever convince my own wife?"

Moral: You're paying for a new car... make sure you get one!

When you buy a new car, put your money on tomorrow—not yesterday. Swept-Wing Dodge actually *obsoletes* other cars in its field. Should you invest in high, boxy styling when Dodge offers the low, low look of tomorrow? Should you invest in outmoded coil springs when Dodge offers new Torsion-Air Ride? Should you invest in an old-fashioned lever-type transmission when Dodge offers the ease of Push-Button Driving? In other things, too—engines, brakes, interiors—Dodge is years ahead. So put your money on tomorrow. See your Dodge dealer. Join the swing to the Swept-Wing Dodge!

LOOKING FOR GOD

Some say you find God just as well in a garden, in the woods, or on a golf course as in a church—that God is everywhere. But be honest about it.

Are you not more apt to think of weeds, or mosquitoes, or a poor shot than you are of God? And after all, you have made this outing to seek pleasure.

But when you go to church, it is with the specific intention of worshipping. Here you engage in prayer, praise and thanksgiving. Here you mingle with people who are seeking God and have come to feel His presence. In the quiet beauty of a church you find few outside distractions, and you know that this place is dedicated to the service of God.

For peace and happiness which comes from really feeling God's presence, worship in the house of the Lord this Sunday—make it a regular practice.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the needs of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
