PUBLIC POWER
The Administration's decision to fight the Democratic program for Government atomic power plants with the charge of favoritism for public power resulted in defeating the program. Republican leaders used this issue and that of economy in attaining their victory.

Tri-County Baseball Playoffs Are Slated

The play offs start this Saturday, August 24, with 8 teams taking part. Much interest is being shown and a close battle should be waged for the play off championship. Boone won the regular season championship and are slightly favored to take the play-offs with Mabel, Millers Creek and Mt. Pleasant giving them much competition.

In a rain abbreviated game the Caldwell, Wilkes and Ashe County All Stars defeated the Watauga All Stars by a score of 6-1. A good crowd was on hand despite the rain.

Results
Sat., August 17—Millers Creek 9, Boone 0; Lenoir 8, West Jefferson 3; Bamboo 11, Lansing 10; Mt. Pleasant 8, Foscoe 6; Mabel, open date.

Standings:

Sun., August 25—The winner of the Mt. Pleasant-Lenoir game to play the winner of the Boone-Foscoe game on the Boone diamond.
The winner of the Mabel-Lansing game to play the winner of the Millers Creek-Bamboo game on the Millers Creek diamond.

Booster Club Meet Set For Thursday

The Appalachian High School Booster club will hold its initial meeting tonight (Thurs.) at 7:45 o'clock in the high school auditorium, it was announced by Coach Jack Groce. All former members and persons interested in joining and supporting the high school athletic program are invited to attend.

Coach Groce stated that prospects for the football season look good. Forty-five candidates for the team are practicing daily, and although the boys lack weight and experience, Mr. Groce says they have plenty of spirit.

Plans for boosting the team and other matters are expected to be discussed at the meeting.

MASTODON BONES
Kamiah, Idaho — A skeleton, described as being "larger than that of an elephant" was recently uncovered by a Kamiah contractor, Sigurd Groves, on a hillside near here. University of Idaho's professors, after studying the bones, believe they are the remains of a "Columbian mastodon elephant."

ARTHRITIS?

I have been wonderfully blessed in being restored to active life after being crippled in nearly every joint in my body and with muscular soreness from head to foot. I had Rheumatoid Arthritis and other forms of Rheumatism, hands deformed and my ankles were not.

Limited space prohibits telling you more here but if you will write me I will reply at once and tell you how I received this wonderful relief.
