

# Number New Faculty Members At Appalachian's Fall Session

Appalachian State Teachers College has announced that a number of new faculty members will join the staff at the beginning of the fall session. They are as follows:

Dr. J. F. Bozard, who has been head of the department of English for some years at Mississippi State College for Women and on the summer faculty at Appalachian for three years, will be professor of English. He replaces Dr. John Hamilton who has gone to Rollins College, Winter Park, Florida.

Robert L. Breitenstein, former assistant football coach at the University of Miami, and owner of Camp Broadstone, boys camp, at Valle Crucis, will be visiting professor of physical education and will assist with the coaching of football.

Ronald Brooks, graduate of North Carolina State College, will become director of recreation, a newly-created position at Appalachian.

Miss Beulah Campbell, formerly

on the faculty of Westminster College at New Wilmington, Pa., will be associate professor of education. Miss Campbell's speciality is children's literature and other subjects in primary and elementary education.

Dr. Joseph Cedeyco, who holds the doctor's degree from the University of Chicago, replaces Miss Ruth Campbell as teacher of French and Spanish. Dr. Cedeyco will be visiting professor in the department of languages.

William Donny, holder of the master's degree from Appalachian, experienced counselor and public school teacher, will be instructor in the department of education. He replaces W. R. Hargrove who is going to University of Oklahoma.

Joseph W. Ellis has been granted leave of absence to accept a fellowship at the University of Texas to work toward the doctor's degree. Mrs. Olympia Kitchen, member of the faculty last year,

will remain in the faculty to fill this vacancy in the department of education.

Miss Elizabeth Fox, holding the master's degree from North Texas State College, replaces Mrs. Winette Hargrove in the department of music. Mrs. Hargrove will go with her husband to University of Oklahoma.

William Herbert Good, a B. S. graduate of Appalachian, will be part-time instructor in the department of biology, as will David Taylor, B. S. graduate of Carson-Newman College. They will replace Miss Ida Bell Ledbetter who retired.

Miss Virginia Ishee, an experienced public school teacher, replaces Miss Mary Helen Neill in the department of home economics as director of the home management house. Miss Neill has returned to home demonstration work.

Miss Mary Ruth Johnson, who holds the master's degree in dramatics from the University of North Carolina, will be instructor in English and director of dramatics, replacing Mrs. Roberta Hamilton who joins her husband in going to Rollins College.

Robert G. Light, master's degree graduate of Washington University in St. Louis, becomes assistant professor of physical education and head basketball coach. As coach he replaces Francis Hoover who will remain in the department as full-time teacher.

Miss Mary Louise Moseley will be part-time instructor in the department of physical education, replacing Miss Martha Harrill who has returned to public school teaching.

David Pierce, former public school teacher and coach, will be instructor in physical education and assistant to the dean of men. He replaces Lester H. Hardin who will teach in the Arlington, Va., schools.

J. F. Randall, holding the doctor's degree from University of South Carolina, will become assistant professor of biology, replacing Clyde R. Day who returned to public school teaching.

Miss Barbara Stephenson, dean of women, resigned to accept a position in Flint Junior College, Flint, Michigan. Mrs. Maxie Edmisten, who has been a dormitory hostess and counselor for the past

year, will replace Miss Stephenson in the capacity of interim dean of women.

Dr. Richard W. Tews, holder of the doctor's degree from New York University, for some years was on the faculty of the University of Georgia. He will become head of the department of physical education. Dr. Tews will be professor in the department. Until Dr. Tews' appointment, the graduate work in the department of physical education had been directed by Dr. Peter Everett, who is moving to Northern Illinois State Teachers College at De Kalb.

## AAA Violator Goes To Court

A three-year history of violation of the Agricultural Adjustment Act of 1938 by Elmer Jenkins of Haywood County has culminated in civil and criminal action by the U. S. Attorney. Jenkins, a burley tobacco farmer of Hazelwood, N. C., was today ordered by U. S. Judge Walter E. Hoffman to pay \$2,536.43 in marketing quota penalties for the years 1953, 1954 and 1955, plus interest at 6%, plus court costs, for failure to show disposition of burley tobacco planted on his farm in excess of the farm allotment.

Breaking this penalty down to crop years, Mr. Jenkins was ordered by Judge Hoffman to pay penalty in the amount of \$249.60 for the 1953 crop year, \$281.06 for the 1954 crop year, and \$2,005.77 for the 1955 crop year. In each of these three cases the operator of the excess farm was requested to appear before the ASC county committee to show that proper disposition was made of tobacco produced on his farm. The farmer did not appear or report disposition as a result of any of the three requests.

In addition to payment of the penalty, interest, and court costs, the defendant, Elmer Jenkins, agreed "that he will henceforth comply with all laws enacted by Congress and by all rules and regulations promulgated thereunder by the Secretary of Agriculture pertaining to the growing and marketing of burley tobacco on any land owned or leased by him for that purpose."

According to H. D. Godfrey, Administrative Officer of the Agricultural Stabilization and Conservation State Committee, arbitrary action by this farmer in disregarding requirement of the marketing quota program during 1953, 1954 and 1955 has had a bad effect on other farmers in the area in that it encouraged similar action by these farmers. Godfrey expressed the hope that the steep penalties imposed in this case will serve as a warning to other farmers that marketing quota program requirements must be complied with.

## United Fund Facts

Because you gave to Watauga United Fund, your Watauga county chapter of the American Red Cross was able to meet 100% of its budget for the first time since World War Two.

You gave to Watauga United Fund, and the Watauga county chapter of the American Red Cross was among the first few in North Carolina to meet its full quota on relief requests for the disaster needs of flood stricken peoples throughout the flood area.

The courageous peoples of Hungary aroused the admiration of the Free World . . . and because you gave to Watauga United Fund, you were among the first to be at their side with help and encouragement.

The people of Watauga county were able to help in disaster relief requests and to assist the Freedom Fighters of Hungary through the United Fund without the need of an extra campaign.

Because you gave to Watauga

United Fund, your county is a full participant in the American Red Cross Blood program for the very first time during peace years . . . and today a child lives in our county who prior to the blood program would almost surely have died.

Throughout a troubled and uncertain world, solace has come to thousands through the American Red Cross . . . because you gave to Watauga United Fund.

The Watauga County Chapter of the American Red Cross salutes Watauga United Fund . . . and to you who gave, the Red Cross offers its humble thanks.

## AUTO OUTPUT

Barring strikes or parts shortages, the U. S. automobile industry will build 6,244,700 cars in 1957, according to Ward's Automotive Reports. The estimated output volume make 1957 the third most productive year in the auto industry's history. Ford Motor Company will account for 31.5 per cent of the output; Chrysler, 20.5 per cent; General Motors 44.8 per cent—it's lowest since the 1952 figure of 41.5 per cent, and American Motors and Studebaker-Packard, 3.2 per cent.

Under the 1957 Soil Bank Acreage Reserve program, Tar Heel wheat farmers placed 67,700 acres, or 24 per cent of the state allotment in the reserve.

# W. J. FEEDER CALF AND STEER SALE

## Saturday, September 21, at 1 P.M.

### \$150.00 IN FREE CASH PRIZES

Due to success of last year's sale in which we were able to receive from two to three cents per pound more than surrounding markets for this class in North Carolina, Virginia and Tennessee, we are again holding this sale for the benefit and convenience of our farmers.

Since heifers are bringing such an excellent price on our regular sales, the above sale will be confined to sale of bull calves and stock steers only.

Calves and steers will be weighed in on Friday, September 20, 1957, and sale will start promptly at 1:00 p. m. on Saturday, September 21, 1957.

We will have accredited graders for your calves and steers and they can be sold in individual bunches, single or graded to suit the seller. These calves and steers may be horned or dehorned and single or bunches can be no sale.

Feed and water will be furnished and fees will be the same as charged on regular sale.

We will have buyers to take care of unlimited number of calves and steers at highest market prices.

#### PRIZES WILL BE AWARDED AS FOLLOWS:

- \$50.00 to farmer receiving largest check.
- \$50.00 to farmer consigning largest number of calves or steers.
- \$30.00 to farmer having animal that brings highest price per pound.
- \$20.00 to farmer having animal that brings second highest price per pound.

The same farmer will not be eligible for both of the two first prizes of \$50.00. There are no restrictions on other two prizes of \$30.00 or \$20.00.

We ask all farmers to advise us, Box 174, West Jefferson, N. C., the number head you will consign to this sale. There is no entry fee charged.

Bring us your bull and steer calves and stock steers for highest prices. We will have the buyers.

## Paul said to Mr. Ed:

### So Unnecessary

The man being admitted to the hospital was taken into a room and told to prepare for an examination. He had stripped to his underclothes when there came a knock at the door.

"Come in," he called. A woman entered. "I'm the doctor," she said briskly. "Please undress completely."

The man did as he was told, then endured a searching, detailed examination. "All right," the lady doctor said at last. "You can put on your pajamas now and get into bed. Anything you want to know?" "Yes," said the man. "Why did you knock?"

# NOTICE

Because of the intense and continuous cold in our Zero Storage Room, the ground underneath has frozen. This has caused the floor to heave, breaking the cork insulation under the floors and cracking the cork walls and ceilings. The condition has become so bad the equipment has all it can do to hold the low temperature required. The machinery is having to run all of the time, with no let up.

This means we must stop using the locker room. We are very sorry that we must ask you to give up your lockers, but it is necessary to protect your food. Please arrange to remove it as soon as possible.

## We Have Set SEPTEMBER 15th As The Date Locker Service Will Be Discontinued

If you have paid rent in advance, it will be refunded.

We will continue to be at your service for chilling and processing meats, but will be unable to freeze them. We thank you for your patronage in the past and hope you will continue to use the chilling and processing service.
