Mountaineers Suffer Defeat; First Conference Tilt Shapes

Appalachian State Teachers College Mountaineers went down in defeat before East Tennessee State Teachers College Saturday night at Johnson City, Tenn., with a score of 20-7. In doing so, they lost the services of a freshman quarterback who was expected to lead them in their football wars this season.

Jack Justice, who quarterbacked his team to victory over Presbyterian in the locals opener, suffered a broken wrist in the second quarter, and x-rays over the week end confirmed the report that he would be missing from the Mountaineers' lineup the balance of the season. Appalachian was not able to make a score until the third quarter, when they made a 65-yard touchdown drive. Quarterback Ansel Glendenning carried the ball over on a 37-yard run, and Claude Midkiff kicked the ball through the props to make the extra point.

Coach Star Wood's Buccaneers made the first score on the last play of the first quarter after recovering a fumble on the Mountaineer 18-yard line. Joe Dixon hit Ronald Brooks with a 17-yard aerial for a touchdown on the third play from scrimmage. Larry Ledford converted.

Appalachian took the ensuing kickoff and traveled down to East Tennessee's 15-yard line before the Buccaneer forward wall took over on downs.

Just two plays later, Bob Lindsey went 61 yards for East Tennessee's second score, with Don Lobertini converting. The Bucs led 14-0 at halftime.

The final touchdown was made the Tennessee boys when they traveled 43 yards to the end zone. Jim Krause carried the ball over with a three-yard plunge.

Coach Bob Broome's boys made some good defensive displays, one time when the Bucs were knocking on the touchdown door just a few

feet of scoring position. The Appals held them there through three tries and took the ball when the Bucs failed to go over.

Statistics of the game were:

Western Carolina Here Saturday
Coach Broome will be host to Coach Dan Robinson of Western Carolina College at College Field Saturday night when the Mountain-

teers try out their first North State Conference foes of the season.

The Mountaineers will be trying to forget their defeat last week by East Tennessee as they seek to tromp the Catamounts, who have failed to win either of their first two games.

For the first time this year the Mountaineers will be facing a more evenly matched team, as far as weight goes. According to the starting lineup released by the two coaches, almost every position will be closely matched in weight by their opponents.

The Catamounts will be led by quarterback John Mugford, 195-junior transfer from the University of Notre Dame. He is said to be an excellent ball handler, a good passer, and a top runner.

Claire Booth Luce Visit October 10th

Claire Luce, who will appear in Boone on October 10 in the first number of Appalachian College's public program series for 1957-58, might merit the title of America's most interesting woman. Famous as an actress, monologist, Congress woman and diplomat, Miss Luce has an imposing catalog of achievements to her credit besides.

Her innovations in dressing and living have won for her many superlatives besides those for which she is best known. In the vanguard of the do-it-yourself addicts, Miss Luce designed her own costumes back in the days when she was a Premier Danseuse of the Ziegfield Follies and "Gay Divorcee." While she was starring as Cleopatra, Beatrice, and Viola during her appearance for a season at the Shakespeare Memorial Theatre at Stratford-on-Avon, she astonished play goers with her brilliant costumes. For centuries Cleopatra had appeared throughout the play in the same costume, but Miss Luce insisted upon and designed twelve striking changes.

Miss Luce's influence upon fashions has been far-reaching. She has been on the list of the "Ten

ASC Officials To Be Voted On October 8

Those Elected To Administer Farm Programs

On Tuesday, October 8, you and your neighbors will be electing the ASC farmer-committeemen who in 1958 will be responsible for the local administration of such national farm programs as the Soil Bank Program, the Agricultural Conservation Program, Price Supports, Acreage Allotments, Marketing Quotas, Storage Facility Loans, and others.

It is these men who will see to it that such national programs are properly adapted to conditions in Watauga county and to your farm, and it is the background and experience of these same men that will be mingled with that of the 135 thousand ASC farmer-committeemen in the United States in the formulation of any new program that developments in the coming year may require. This double-barrelled function of your farm committee system has kept it vigorous through the years and has been largely responsible for the truly democratic development and operation of your national farm programs.

You participate by helping to elect your committeemen, by keeping them informed of the problems facing you and your community, by giving them your full support and cooperation in their job of program formulation and administration.

The Community Election Boards have already named the slate of nominees. No additional names have been added by the petition of ten eligible voters in any of the ten communities. The county convention at which elected delegates will elect county committeemen will be held on October 23.

You will be eligible to vote for your community committeemen, alternates, and delegates if you have an interest as owner, operator, tenant or share-cropper, on a farm that is participating or is eligible to participate in any program administered during the current calendar year through your County ASC Committee office.

There are some mighty important decisions to be made in 1958! Many of them will affect you! Someone has to make them. Will your voice be heard?

Hereford Sale Brings Out History Of Event

Back in 1942 when beef prices were low and purebred Hereford breeders were few and far between, Harry M. Hamilton, Jr., Watauga county agent, conceived the idea of a Hereford Association for Watauga county. A meeting of the breeders was called and from this meeting came the Watauga Hereford Association.

The objects of the Watauga Hereford Association are to promote in all ways the interest of the Hereford breeders of Watauga county; to increase the number of Hereford breeders within the county; to advertise Watauga county as a Hereford stronghold; and to seek to improve the general merit and extend the favorable reputation of Watauga county Herefords.

First Sale in 1943

L. E. Tuckwiler, present county agent, entered the picture about this time and helped organize the first purebred Hereford sale in 1943. D. T. Brown was elected president and Howard Walker, secretary. Consignors in the first sale included: Brown, W. H. Walker, D. L. Bingham, Dr. H. E. Perry, Finley P. Hodges, John Dugger, Bernard Dougherty, Gordon H. Winkler, H. M. Hamilton, Jr., Frank M. Payne, J. H. Council and the Norris Brothers. These along with many others have kept the association rolling along for 14 consecutive years.

Shipley, vice president; and Council Henson, secretary and treasurer. Directors are Charles M. Hodges, Howard Walker, Cloyd Bolick, Dave Minton, H. M. Hamilton, Jr. and Mr. and Mrs. H. Grady Farthing.

Approximately 40% of the total enrollment is either new to the campus or has been away for a year or longer; one hundred students are returning after absence.

Lions Will Aid Cane Campaign

The Boone Lions Club is cooperating, as usual, in the annual White Cane Drive of the N. C. Association for the Blind, September 22 to October 5.

The club has pledged three \$1.00 memberships in the association for each of its 54 members for a total of \$162.00. The statewide goal is \$40,000.

The association is a non-profit organization, created by the Lions Clubs of North Carolina. The White Cane Drive is the one annual fund-raising drive of the association. All funds derived from this drive are spent either directly or indirectly for the blind people of the state. There is no paid staff. The association fills the gap between services rendered by the Lions and the State Commission for the Blind, making a total program unequalled in the United States.
