Wilson Gives History Brown Attends Law Institute

Wade E. Brown, local attorney attended the institute on the new Business Corporation Act at the University of North Carolina law School last Thursday, Friday and Saturday.

The institute was arranged by the Committee of Continuing Leg al Education of the North Card lina Bar Association, and the Lav Schools of the University, Duke University and Wake Forest Col lege.

The legislature of 1955 adopted light placed at the corner near a new corporation act which wen into effect last July 1. Prominen practicing attorneys, corporation executives and law school dean will be done, as well as a stop light and professors outlined in detail the new act and how it would work and the points of differences from the old act.

ROAD TOLL

Accidents on the highways of nation will take a toll of 51. 000 lives in the year 1975, accord ing to Dr. S. T. Hitchcock, chief of the division of highway trans port research. U. S. Bureau of the high school, and John W. How- Public Roads. Dr. Hitchcock ex pects highway travel to be about 1,119,000,000 vehicle-miles in 197
