

Olds is All New from Head to Taillamps

Oldsmobile for 1958 offers a completely restyled body, featuring the new "mobile look." This distinctive and tasteful styling in the '58 Holiday coupe harmoniously employs horizontal trim to emphasize its long, flowing lines and low silhouette. The ultra-modern thin line roof sweeps rearward to the top of the enlarged single-piece rear window. The redesigned front end is distinguished by new four-beam headlights, recessed style grille with narrow aluminum louvers, and lower sleek hood line. Dominant in Oldsmobile's 1958 styling are striking twin blades that sweep down the rear fender crown. Choice of three Rocket engines with improved economy is offered in the 1958 Oldsmobile, which has a smoother Jetaway Hydra-Matic transmission and New-Matic Ride, a new concept of air suspension, available as a desirable option.

Devils End Season In 33-7 Cranberry Win

Appalachian High School closed its football season, Friday night, November 1, on home territory by defeating Cranberry 33 to 7, thus rounding out a season of five victories and four defeats.

Mrs. Henson Rites Tuesday

Cranberry's only score came in the final quarter on a 21-yard pass from Bob Ollis to Roy Johnson. Robert Buchanan sprinted for the extra point from two yards out.

Appalachian's scoring came in the first quarter on a one-yard plunge by Fred Cook. In the second Jim Hayes carried the ball over on a one-yard plunge, also. In the third John Ralph Buchanan galloped over on a two-yard plunge. In the third, also, Jim Hayes intercepted a pass and scampered 50 yards for a touchdown. In the fourth Bill Miller carried the ball over on a four-yard run.

Everyone on the Appalachian squad played during the game.

Miss Minnie Caroline Henson, 69, of Vilas, Route 1, passed away at her home on Sunday, November 3.

Funeral services were conducted at 2 p. m. Tuesday, November 5, at the Forest Grove Baptist Church by the Rev. Ed Farthing and the Rev. Carl Wilson. Burial was in the Forest Grove cemetery.

She is survived by a brother, Ross Henson, and a sister, Miss Pattie Henson, both of Vilas.

BABY DROWNS IN SINK
Chicago — While his mother went to answer a telephone call — a wrong number — in another room, a two-months-old baby boy drowned in a wash basin in the kitchen sink Mrs. Judith Chlaeger, 27, returned to find the baby's head and shoulders under water. He could not be revived.

VERY LITERAL
Scottsville, Ky.—When Will Smith applied for an auto license, the clerk told Smith to write his last name first and his first name last. To relieve Smith's confusion, the clerk said, "Write it backward." Smith did—the application had printed on it: LLIW HTIMS.

William Tyler Page, former clerk of the U. S. House of Representatives, wrote the American's Creed in 1917.

Why use two when one will do?

Users of Trop-Artic® All-Weather Motor Oil never have to worry about using different grades of oil at different seasons of the year. Trop-Artic is a light oil and heavy oil in one (grades 10W through 30). Furthermore, it lubricates and protects your motor far better than any of the old-fashioned "single grade" oils.

The reason is that Trop-Artic never gets too thick or too thin. In a cold engine it flows quickly for easy starting. In a hot engine it retains the "body" necessary to prevent wear. It reduces friction to save you gasoline. It keeps your engine clean. Compared to old-fashioned oils it can even double engine life. Get Trop-Artic All-Weather Motor Oil today from your Phillips 66 Dealer.

T. B. Group Develops Better Health Plans

By MRS. FRANCES C. FRANCIS
For six years your local Tuberculosis Association has been developing a program for better health generally and tuberculosis control specifically.

It has worked through legislation and cooperation with public agencies, private organizations, and individuals. It is affiliated with the State Tuberculosis Conference, the National Tuberculosis Association, and the International Union against Tuberculosis.

Financed solely by the annual sale of Christmas Seals, the organization retains 80 per cent of the money raised locally, 14 per cent goes to the state association, and 6 per cent to the national association.

That victories over TB are being achieved is shown by health statistics: Once known as the White Plague, TB killed 200 out of every 100,000 Americans in 1900. In 1955 the death rate was 9.1 per 100,000. This is dramatic progress, but a major problem still exists. Modern science is preventing death from tuberculosis, but it has not been so successful in preventing people from catching the disease.

A major problem in controlling tuberculosis is the difficulty of discovering the disease early, since there may be no early symptoms. More than half of all cases are far advanced when discovered. Inevitably, before they were discovered they spread the infection to others.

It is estimated that one third of the nation is infected with the germs that cause tuberculosis. About 250,000 Americans are believed to have active disease. A total of 550,000 with inactive disease need medical supervision to prevent relapse.

Your local association has a board of directors of 12 representatives from Ashe county, 12 from Watauga county and 6 from Alleghany county. Dr. R. H. Harmon of Boone is this year's president. This group budgets the money, and plans the activities to meet the problems of tuberculosis in your county.

PRIZE WINNER
Niels Bohr, Danish physicist, received the first Atoms-for-Peace award for his work in unlocking the secrets of the atom and attempting to channel them toward peace. He called for "that worldwide cooperation which has manifested itself through the ages in the development of science."

Paul said to Mr. Ed:

USE IT MYSELF
Two friends met for the first time in years. "How's things?" one asked.

"I had a bad year last year," answered his friend. "My factory burned down, and I wasn't insured."

"That's too bad," the first man sympathized. "How's your wife?"

"Dead," came the unhappy reply. "Run over by a bus in December."

"I'm sorry to hear that. But how's the rest of the family?"

"My son got sent to jail."

"Gosh, that's tough." Then desperately searching for a cheerful subject. "How are you doing yourself?"

"Great!" came the jovial answer. "Business is wonderful—I sell lucky charms, you know."
