

Guilford Quakers Down Mountaineers, 14-7

The Quakers of Guilford College dealt the Appalachian Mountaineers an upset defeat Saturday when Sophomore fullback Lester Parker went over the goal line twice and kicked two extra points to win by a 14-7 score.

The game, played at Guilford College, was the first North State Conference win the Quakers had been able to get since 1954, when they defeated Lenoir Rhyne 14-7. It was their first victory of the season.

Guilford scored in the second and third quarters for a 14-0 lead. The Broome boys finally got warmed up in the fourth quarter and stayed in the Quaker territory for some time, finally scoring with a little over three minutes remaining in the game.

The Quakers gave Appalachian their first scare in first period after App halfback Glenwood Wilson fumbled on his own 38. Ralph Nelson recovered for the Quakers and they marched to the Mountaineers' 18, only to be held.

Coach Herb Appenzeller's squad gained possession on its own 40 in the second quarter and marched down to the one, where Parker went over on a dive off tackle. Two 16-yard passes from quarterback Jim Stuffs highlighted the drive. The Quakers led at the half by 7-0.

After the halftime rest, Jim Crenshaw took the kick-off for Guilford and returned it 53 yards to the App 41. Eight plays later Guilford had it on the one, where Parker did it again on a one-yard plunge. He kicked again and the Quakers led 14-0.

The remaining minutes of the quarter found the teams battling around the mid-field stripe with neither team being able to muster a sustained drive.

With the start of the fourth quarter, the Mountaineers caught fire and repeatedly marched into Quaker territory. They were not

able to score until 3:15 remained in the game. At this point, halfback Ansel Glendenning dived over the one, got up and booted the extra point, making the score 14-7. The Apps marched 39 yards for the score after gaining possession via a Quaker punt.

The Mountaineers really started to shine in the fourth quarter, but except for the one lone touchdown they were unable to carry the ball to paydirt.

In one instance the Broome boys carried the ball to the Quaker's 16, but were held and lost enough yardage on a 5-yard offside penalty to lose the down. Another fourth quarter threat was nullified when the Apps had a 15-yard clipping penalty slapped on them when they were on the scoring side of the 50-yard marker.

With seconds left in the game, Glendenning took a Huber punt, and went 53 yards to the Quaker's 41. Time ran out before this could be turned into a scoring march.

On offense, the playing of Glendenning stood out, while senior Triplett shined for the Apps on defense.

Apps	Guilford
8 First downs	13
173 Net yards rushing	149
11 Passes attempted	9
1 Passes completed	4
5 Net yards passing	63
1 Passes intercepted by	1
6 Number of punts	7
39.3 Punting average	37
5 Fumbles	1
3 Fumbles lost	1
45 Yards penalized	50

Travel To Tampa Saturday
The Mountaineers journey to Tampa, Fla., Saturday where they will clash with the University of Tampa's Spartans. The game at Phillips field will close out the Mountaineers' 1957 season.

The Mountaineer record stands at four wins, five losses after last week's disastrous trip to Guilford. A victory over the Spartans would be the first for Appalachian over a Tampa club since 1953. Since their 35-12 victory of '53 the Apps have lost to the Florida club three times. Last fall the Spartans triumphed 21-7.

Coach Broome will continue to depend largely on his freshmen ball players Saturday. Dewayne Milner, the Apps starting quarterback, missed last week's game because of a leg injury. If the freshman flash isn't ready by Saturday, sophomore Ansel Glendenning will probably make the call.

Glendenning has been one of Appalachian's outstanding competitors, shifting between quarterback and halfback with regularity. However, he is more at home in the halfback slot. He is the Mountaineers' leading ground gainer, the leader in pass interceptions, and is second in scoring.

Another freshman, Glenwood Wilson, mans the other halfback slot for the Mountaineers. Should Coach Broome be forced to start Glendenning at the calling position, freshman Don Gardiner or sophomore Joe Walker will be at halfback.

Along the forward wall the Apps have experience in the form of co-captain Phil Triplett and sophomore letterman Jim Conger. Triplett, a guard, will be playing his last game in the Black and Gold uniform.

Coach Marcelino Huerta's Spartans have enjoyed moderate success against tough opposition this year. Tampa's record stands at 4-2 with losses to powerful VMI and Wofford.

The Florida team mixes a highly regarded passing attack with an equally good running game. Quarterback Mike Skaroulis and backs Fred Cason and Don Herndon are the key figures in the Spartan attack.

Four seniors will be putting on the pads for the last time for the Mountaineers. They are Triplett, center Dickie Bolin, halfback Bill Passan, and fullback Claude Midkiff. Three other seniors are on the injured list. They are co-captain Dean Upton, halfback Agee Hiatt, and center Ted Watson.

Mabel News

Ivan Church has returned to Roanoke, Va., where he is employed after spending several days home due to sickness.

Born to Mr. and Mrs. Clint Moretz on November 4, a daughter, Karen Virginia.

Ivan Younce is teaching a two weeks singing school at Johnson Chapel Church at Neva, Tenn.

TB Now Thirteenth

By MRS. FRANCES FRANCIS

In the time it has taken you to unfold this paper and scan the front sheet, someone in the United States has contracted tuberculosis. Yes, every five minutes someone breaks down with TB, and every half hour someone dies of the disease.

This is progress. Only 50 years ago tuberculosis was the leading cause of death in the United States. Today it ranks thirteenth.

Progress in preventing the disease, however, has been slower. Theoretically, it can be done, according to Dr. R. H. Harmon, president of the Tuberculosis Association. It would mean finding all active, contagious cases of tuberculosis in the population so that they could be cured. It would mean thorough education and rehabilitation of all former patients in order to help prevent relapse. It would mean safeguarding the health of those already infected—and that means approximately one-third of the nation—to prevent them from breaking down with active disease.

Such a Utopian situation cannot be achieved overnight, but steady progress is being made through the efforts of the Tuberculosis Association in cooperation with the health department and other agencies concerned. In addition to its local program of case finding, rehabilitation, and health education, the association joins with the 3,000 other TB associations affiliated with the National Tuberculosis Association in a program of medical research. In time this research may lead to a simplified method of preventing tuberculosis infection and disease—a vaccine or medication which can be given to the public at large.

Meantime, however, the tuberculosis association needs the support of every citizen in its efforts to protect our homes from TB. You have received a letter containing Christmas Seals from the association. Answer your letter and send in your contribution today.

A-BOMB USE
Admiral Felix B. Stump, Supreme United States Commander in the Pacific and Asia, recently told a group of military correspondents that the United States must retaliate instantly, possibly with tactical "clean" atomic weapons, "at the first sign of overt Communist aggression anywhere in the world."

Supper To Be Set At Mabel

A Thanksgiving supper will be held at the Mabel School November 23 at 7 p. m. Proceeds will go to the Pleasant Grove Baptist Church building fund.

High-ranking Army officers, led by Chief of Staff Gen. Maxwell D. Taylor, have criticized the doctrine of the air power and the restrictions put on Army missile developments.

North Carolina poultry raisers have reduced their hatching egg flocks by 9 per cent while Georgia's have expanded 17 per cent.

AMERICA'S BIGGEST CAR VALUE—ON SALE TODAY!

NEW 1958 MERCURY

SHOWN (above) ARE COLONY PARK STATION WAGON; MONTEREY PHAETON COUPE; (center) THE MONTCLAIR PHAETON SEDAN.

Only car to bring you Sports-Car Spirit ... with Limousine Ride

Mercury introduces the year's biggest advance in car performance—a combination of the superb control and handling ease of a sports car—plus the room, ride, and comfort of a limousine.

4 SERIES OF MERCURYS TO CHOOSE FROM IN '58. PRICES START JUST ABOVE THE LOWEST. The Monterey series has 5 models within easy reach of buyers of low-priced cars. For only a few dollars more, Mercury's six Montclairs give you many additional luxury features. There's a choice of six station wagon models in 3 price ranges. For magnificence unlimited, there are 3 models in the entirely new Park Lane series. And, even here, prices are surprisingly modest.

ANNOUNCING AN ENTIRELY NEW FAMILY OF MARAUDER ENGINES WITH UNIQUE COOL-POWER DESIGN. The great engineering advances of "Cool-Power" Design include new In-block Combustion, Water-flow Intake Manifold, 3-stage Cooling, and Cool-head Valves. Power and fuel once lost to heat and friction are put to work for you. There are three new Marauder V-8's with 312, 330 and 360 hp. They are all teamed with a new high-economy rear axle to give you more power, more mileage from less fuel.

ADVANCED TREND-SETTING STYLING—WONDERFUL NEW DRIVING AIDS. Mercury continues its leadership—not only in styling, but in features. For example, new Super-Safe self-adjusting brakes. New Multi-Drive Merc-O-Matic in the Park Lane series. And you can get features like a Speed-limit Safety Monitor, automatic power lubrication, and many others. We invite you to attend the first showing.
