Question: How can I raise the income from my dairy in view of the fact that dairy prices are regulated?

Answer: Three practical guides for dairy farmers to follow in raising their incomes are: Sell 200,000 pounds of milk per worker each year; harvest at least six tons of hay equivalent for each milk cow in the herd; and hold annual power and machinery expenses to not more than about \$2,000 per worker and \$100 per cow.

The 58 FORD is here now... there's nothing newer in the world With all that's new for a world of difference You'll ride in a new world of fashion with Ford's deep-sculptured styling. From new Power-Flow hood to Safety-Twin taillights, Ford's world-ahead styling is a standout! There's a new Slipstream roof... a new Sculptured rear deck that's out of this world. You'll be ahead with Ford's new Interceptor V-8 and Precision Fuel Induction. Gives you up to 300 hp. Smoother power... more power... from less gas! The secret is Precision Fuel Induction, a new carburetion, fuel feeding, and combustion system. You'll get up to 15% more gas savings with new Cruise-O-Matic Drive teamed with the new Interceptor V-8. New D3 position, used for normal driving, lets you move smoothly—with a touch of your toe—from toll-festive take-offs right up to highway cruising speeds. You'll ride on a cloud instead of a spring with Ford-Aire Suspension. This is the way you've dreamed of driving—floating on air! Four air pillows literally soak up any sign of a bump. Car relevels every time someone gets in or luggage is loaded. You'll steer with a feather touch with Ford's new Magic-Circle Steering. Nothing rolls like a ball, and that's the secret of Ford's handling ease. Free-moving steel balls in the steering gear are virtually friction-free—give you the closest thing yet to power steering! Your night driving is safer with Ford's Safety-Twin Headlights. You get safety you simply can't get with single lights... special light for high beam... special light for low. It's the biggest advance since the sealed-beam! It's high style, too. Smooth as they come... smart as they go. The Fairlane 500 takes the 58 styling cue, going away (servicing, too). THERE'S NOTHING NEWER IN THE WORLD OF STYLE! "THE WHOLE WORLD SEEMS SMALLER WITH FORD'S NEW INTERCEPTOR V-8 ENGINE!" From London to Bangkok... the whole world loved it! The 58 Ford stopped traffic in Trafalgar Square when it passed through on its round-the-world trip. And that was typical of the excitement this Ford caused in Paris... Rome... Athens... Istanbul... Calcutta... and Bangkok. For this Ford was proved around the world in the toughest "shakedown" cruise in history. COME IN... SEE THE CAR THAT WAS PROVED AND APPROVED AROUND THE WORLD!
