

1910 BOY SCOUTS GOLDEN JUBILEE YEAR 1960

A Half Century Of Building Better Boys . . .

Into Better Men

50th
ANNIVERSARY

In our community, we salute the leadership of those men of vision who have given unselfishly of time and talents, that deserving boys of Watauga might point with pride to the Watauga District of Old Hickory Council, Boy Scouts of America . . . Building Better Boys into Better Men!

A half century of happy boys whose uniform has become symbolic of clean living and good citizenship.

The everyday application of Mottos and Slogans has left its conviction upon the world that Scouts, indeed, are for God and Country, and through its lessons for boys, men learn to "Be Prepared."
