

Brittain Gets Scholarship

Raleigh, May 21—John Andrew Brittain of Jackson is the winner of the Josephus Daniels Scholarship for study at the University of North Carolina.

The son of Mr. and Mrs. Guy Brittain of Jackson, John is a student at the Jackson High School. His high school activities include the Beta Club, vice-president and president in his junior and senior years; the presidency of the freshman and senior classes; the secretary of the junior class; and membership in the Future Farmers of America during his freshman and sophomore years.

Every Four Years
The Josephus Daniels Scholarship is awarded once every four years on the basis of financial need, high scholastic standing, character, qualities of leadership, extra curricular achievements, and promise of future distinction.

Established through the executors of the estate of the late Josephus Daniels, publisher, editor and statesman of Raleigh, the scholarship fund provides the winner with \$2,000 for four years of study provided that the student maintains a high scholastic standing and good conduct at the University.

Members of the scholarship committee were C. O. Cathey, professor of history and chairman of the committee; E. S. Danier, UNC director of student aid; and Jonathan Daniels, one of the executors of the estate of Josephus Daniels.

(Mrs. Brittain will be remembered in Boone as the former Miss Norma Brown, daughter of the late attorney John E. and Mrs. Brown.)
