

# BACK TO SCHOOL

## SUMMER STUDENTS & FACULTY

*A Special Welcome To You Who Are On Campus For The First Time!*

If you're at Appalachian State Teachers College for the first time . . . or have returned after an absence of several years, you may find this drawing helpful in locating various centers of activity about campus. It is reproduced here with the hope that it will be useful, along with the wishes of its sponsors that your summer will be a pleasant and fruitful one.

We welcome you to our Town and to our Campus, here in the Holiday Highlands. We hope it will be our privilege to serve you, and that we will be able to meet new friends and renew old acquaintances. We will look forward to seeing you, as you settle down for a summer of study and relaxation, and it is our sincere hope that your stay will be a memorable one.

Meanwhile . . . Welcome to this land, "Half Way to Heaven"!

*Let your off-campus experiences include a night at "Horn in the West."*

*Even if you have previously seen the drama, this year's changes will make it delightful new entertainment for you.*

*Don't miss the Summer Fun that surrounds you. Try a ride on "Tweetsie" . . . a trip to the peak of Grandfather Mountain . . . See the view from famed Blowing Rock . . . Golf at Boone . . . the finest eighteen hole course in the mountains.*
