Tests Given To High Schoolers

Tests were administered Tuesday to sixty-nine boys from the freshman class at Appalachian High School as a part of a county-wide testing program.

Watauga county was selected as one of the five areas in the South to help establish norms in the preparation of a mechanical aptitude test being prepared by the University of Michigan.

Names were selected at random by the University of Michigan from a list of freshman boys. Scores will be made available to the boys tested when test results are returned to the school.

Glenn Is Reelected To Soil, Water Post

Ned Glen was elected supervisor in the Soil and Water Conservation District election held in Watauga county last week.

The response from the voters of the county was gratifying to the supervisors, who express appreciation to all who participated.

Other supervisors in Watauga county are: Clyde Moretz, Deep Gap; Tom Jackson, Route 2, Boone; Ferd Michael, Route 2, Boone, and Harvey Trivette, Boone.

The following statement is issued from the Soil Conservation office:

"Soil and Water Conservation District supervisors occupy a position of public office and public trust. As a member of our local board, Mr. Glenn will assist in program planning, policy making and the carrying out of a soil and water conservation program for Watauga County and Watauga Soil Conservation District. Members of our county and district boards will meet regularly with agricultural agency representatives and others interested in this important program. District supervisors are non-salaried officials, serving our dis-

trict, state and nation in this important role largely at their own expense and without compensation in the form of salary."

NEW ASSIGNMENT

Lowry AFB, Colo.—Airman First Class Max Mikeal, son of Mrs. E. R. Mikeal of Todd, N. C. has been assigned to the Strategic Air Command's 451st Strategic Missile Wing here which soon will become the first operational Titan intercontinental ballistic missile organization in the United States Air Force.

Airman Mikeal, a missile propellant systems specialist, has completed special missile training in preparation for the assignment.

The airman, a graduate of Elkland High School, was formerly employed by the Watauga Hospital, Boone. He and his wife, the former Julia Ann Phillips of 312 E. Main St., Boone, have a son, James.

SILVER WALLS

Taylor, B. C.—Wanting to make some changes in the decor of his bar, Dewey Armeneau asked for suggestions from a customer. The

suggestion was to line the wall with silver dollars and the customer handed over a silver dollar.

Armeneau drills a hole in the wall, the customer pounds the coin

into the wall and Mrs. Armeneau puts a small plaque under the coin with the donor's name.

Taylor is 35 miles northwest of Dawson Creek
