## Read The Food Ads, Says Specialist, For Savings

Are you a food ad-watcher? Food ads save time, give information, announce foods on the market and can lead to a sizeable saving in your food budget.

Miss Gaynelle Hogan, consumer marketing specialist in Greensboro, says food ads often tell what foods are in season or in plentiful supply. When many stores have "specials" on the same items, it usually means that it is a good time to serve that food.

When is a special a bargain? Miss Hogan says many people think a "special" is always a bargain but it is not true. To determine the value of a special, you need to know the usual price, the quality, the brand name and then interpret all of these in terms of the use to which the purchase will be put. For example, poor quality apples at a price of 10 cents per

pound could result in a cost of 20 cents per pound if half the apples are discarded as unusable.

Studies show that a family can save 10 to 15 per cent on their food bill by paying attention to specials and food prices. A homemaker should learn to shop with an eye open for specials.

She says you should avoid excessive impulse buying but be ready to snap up a bargain when you see it. Be alert to changes in price and be ready to buy or hold back based on your shopping know-how.

Miss Hogan says you should buy in large amounts only if you are sure they will be used. Be sure that the special price on smaller sizes means savings over the price of the large size.

"Always remember to take time to compare before you go shopping and while you shop," she adds.

## BPW Elects New Officers

The Boone Business and Professional Women's Club met Thursday evening, January 22, at the Daniel Boone Inn for their dinner meeting.

The Health and Safety committee—Mary Schell, chairman, Doris Jones and Kate Wilson—had charge of the program. Doris Jones introduced Bob Bumbaugh, treasurer of the board of trustees and chairman of the properties committee of Watauga Hospital, who gave a very enlightening talk on the need for a new hospital in Boone and Watauga county. He told of the approximate cost, the probable location, the need for more personnel and of the new ones coming within the next few months, and the general plans for building a new hospital.

Through his enthusiasm and untiring interest in the project, the members of the club were inspired to express their interest in the behalf of a new hospital.

The club voted unanimously to support in any way possible the promotion of and the work that is being done toward the building of a new hospital for Watauga county and to enlighten other people on the urgent need for a new hospital.

Mr. Bumbaugh was accompanied to the meeting by Jack Cobb, vice chairman of the board of trustees and publicity chairman for the hospital.

New officers who were elected to begin duties in April were: President, Mrs. Ruby H. Klutz; first vice president, Miss Jane Smith; second vice president, Mrs. Bernice Ledford; recording secretary, Mrs. Edna Collins; corresponding secretary, Miss Dottie Baird; and treasurer, Mrs. Arlie Thompson.

Installation of the new officers will be at the March meeting.

The Appalachian High School Girl of the Month selected was Carolyn Hoover, daughter of Dr. and Mrs. Francis Hoover. Accompanied by her mother, Carolyn was presented a medallion as a memento of this honor.

Mrs. Lena Barker was a guest at the meeting.

## JEAN'S PERSONAL COLUMN

Dear Jane And Rachel:  
I have never been so flattered in my life. Dozens and dozens of people like my column, and frankly, I'm surprised. I really appreciate all of their kind remarks and I shall continue the column.

I had such a delightful letter from Margaret (Mrs. Sam) Moss Saturday. As you no doubt remember, Sam was our pastor for a few years, and he and Margaret were married while in Boone. Since the letter will be of interest to so many Boone people... here are excerpts. Space won't permit using the letter in full and I regret it!

Jan. 17, 1963

Dear Bonnie Jean,  
We continue to enjoy receiving the Watauga Democrat. Though we do not know as many of the residents now in your growing town, it is nice to get the paper—and fun to watch it grow!

We do know a family who is coming to Boone in February and are pleased for you and them! They are the Sam Dixons of Pinehurst. They were fine members and cherished friends of our years in Fletcher!

When we were living in the Fletcher community, we spent many happy hours in the Dixons home.

Yes, you are fortunate to have the Dixons coming to your town. And I'm sure the Dixons will find Boone just as wonderful as the Mosses always told them it was! They are valuable citizens and loyal church members.

By the way, recently I have sent my paper on over to the Midway School to Miss Blanche Stokes who used to live near Boone!

Sam had major surgery Tuesday a. m. at Baptist Hospital in Winston-Salem—a kidney operation—"congenital" in origin, corrective in "nature." The condition was found during a routine physical. Sam is mighty uncomfortable. I hope to find

him better Friday. He'll be there from 10 days to 2 weeks in all.

Along with Sam's being in hospital, this week has also included a three day church-wide study led by Dr. Rozelle, a sudden death in the church family—and tomorrow is Sam's 10th birthday and it must be celebrated! So, I'm taking 7 boys and 1 Tom Boy (Ruthie) to an afternoon movie to help celebrate the birthday!

My first thought upon seeing the news about Sam Dixon was to write to you, Vivian Reynolds, and to Mildred Dixon. Now I've spent all my time for this evening with this one letter. Would you please call Vivian and tell her about Sam Moss—and that you folks can be glad the Dixons are Methodists!

Regards to your family,  
Love,  
Margaret Moss  
Route 10, Box 22  
Lexington, N. C.

We are anxious to meet the Dixons, and we certainly hope Sam is well on the road to recovery.

Jane, I am so glad you and Art can get to Atlanta this week end for a visit with Helen (Gordon). I know you will enjoy seeing all your old friends there.

Rachel, I'm so happy for you that mid-term exams are over. Now make up for lost sleep!

Love,  
Mom

## Fashion News

Chiffon suedes will be a favorite material for spring wear. Leathers have been beautifully worked as to color and pliability. Shades of coral and lavender are particularly lovely.

Tunics continue to be in the news. Some are almost touching the tops of the skirt hem.
