"To Serve The Future" Is Theme For Girl Scout Birthday Event

To "Serve the Future"—to move into the second half-century of Girl Scouting, is the theme for the 51st birthday celebration beginning in March.

Service is the keynote. Service by girls through a widely varied program which includes activities in nature, in arts, in homemaking and citizenship at home and abroad, service by adults, as qualified, trained leaders and program consultants help the girls explore these varied fields of the Girl Scout program.

In our community, many dedicated men and women give countless hours of thought and hard work to troops. Through board and committee membership and troop leadership; as program consultants and advisors, adults in our area and throughout the eight county area of the Catawba Valley Girl Scout Council, are helping Girl Scouting to grow and making it possible for girls to find adventure and a sense of values in Scouting.

Camping and activities in the out-of-doors constitute a large portion of the Girl Scout program. United Funds support the year round operation of Girl Scouting but do not provide funds for capital and camp outfit. This cost is supported through the Annual Girl Scout Cookie Sale, conducted by troops throughout the council each March. Troops retain a percentage of the profits for their troop treasuries, however, the major purpose of the Cookie Sale is to support the camping program. The council last year purchased 320 acres of land in Caldwell county for an established camp. The property was purchased with money earned from cookie sales.

The profit from cookie sales are the council's only means of financing and extending present camping facilities to more girls. The immediate needs in 1963 are to purchase additional equipment for use in the twelve day camps provided for Scouts in all areas of the council each summer; make necessary improvements at Camp Iswa, the troop camp site; provide equipment and facilities for the established encampment planned for the new camp site next summer and to develop the water system and finish the road on the camp site property for year round troop camping.

There are over 7000 girls and adults currently active in Girl Scouting in the Catawba Valley Girl Scout Council.

March, the birthday month, is being noted this year by

Scouts in our community as a special time to publicly express their appreciation to the many people who have made it possible for Girl Scouting to grow and be a part of their lives; for giving them opportunities to

have fun together, to be useful and to help others.

The Girl Scouts of the USA is the largest organization of its kind in the free world and is proud to be known as "a growing force for freedom."

Dr. Hill To Preach At Baptist Revival Here

Dr. Ronald C. Hill, Southern Baptist missionary to Thailand, will be the visiting evangelist during revival services at the First Baptist Church of Boone March 17-22. Mr. Hill is a native of Spindale, N. C. He received his education at Mars Hill College, Baylor University at Waco, Texas and at the New Orleans Baptist Theological Seminary. Ronald and his wife were appointed by the Foreign Mission Board for Thailand in 1962 following his graduation from the Seminary. During a furlough in 1958 he completed the work on the Doctor of Theology at the New Orleans Seminary.

The services of the revival will begin on Sunday morning at the 11:00 worship service. There will be services each

evening at 7:30 with a special service in slides at 7:10 each evening. The slides will be dealing with mission work in the Orient. Each evening he will take fifteen minutes to tour some of the mission areas served by Southern Baptists.

Morning services will be held each morning Monday through Friday at 7:30. This will be a devotional service lasting until 7:55 in order that people may get to work or to their classes by 8:00. There will be a fellowship period before and following each of the morning services.

The public is cordially invited to attend all of these services of worship as emphasis is placed on evangelism and missions.

LETTER TO EDITOR Summer Residents Tell Of Burglars And Vandals

Dear Sir:

What is happening in Watauga? Ten years ago when we bought our property and built a summer home and guest cottage in the area, this was "Arcadia."

Summer after summer we have looked forward to those restful summers of wonderful climate and wonderful people. Reluctantly we closed up in September and returned to the busy life in a metropolitan area—our sole purpose, to earn enough to be able to return to Watauga for another season. Never was there a worry of burglarly or vandalism.

Last September we received a call. Both cabins had been entered and robbed and wreck-

ed by vandals. Our mountain friends—residents of the area for generations, were sick with the thought of our loss, and felt it was rather obvious as to who was guilty. Arrests were made, and while handcuffed the culprit was allowed to escape! Now word comes of a repeat

performance—just five months later! Is Watauga degenerating to the status of an Early American western town? Are all of our good opinions of the area falsely founded? Should we sell out and move to an area that has some degree of law enforcement? Is this really the spot to choose for retirement?

What is the answer of the citizens and the law enforcement officers of the area?
