

MRS. EARLEEN G. PRITCHETT holds certificate from Governor Terry Sanford announcing her reappointment as State Chairman of United Nations Week.—Corey photo.

Mrs. Pritchett Re-Named Chairman Of U. N. Week

Mrs. Earleen G. Pritchett, administrative assistant to the president of Appalachian State Teachers College, has been reappointed to the State Chairmanship of United Nations Week, according to information received from Governor Terry Sanford's office.

Mrs. Pritchett received a certificate announcing her reappointment to the position of State Chairman for 1963.

She said that United Nations Week will be observed October 20-26. Mrs. Pritchett will have the duty of coordinating the U. N. observance in communities

across the state and will ask various leaders to name local chairmen.

The goal of the observance is to promote a better understanding of the aims, purposes and accomplishments of United Nations.

A native of Watauga county, Mrs. Pritchett was educated at Lees-McRae College, Draughon's Business College of Knoxville, Tenn., and Appalachian State Teachers College.

Mrs. Pritchett has been associated with Appalachian since 1947. She has served as secretary to the dean, director of publications and associate director of placement. Since 1955 she has been secretary to Dr. W. H. Flemmons, president of ASTC. In 1961, she became administrative assistant.

School Roundup On Wednesday

The 1963-64 Parkway preschool round-up will be held at the school May 8, from 9 until 12 o'clock.

Parents or other adults only are urged to be present with their children. It is important that they bring the required immunization certificates with them.

Legion Meeting At Blowing Rock

American Legion Post 236, Blowing Rock, will hold its monthly meeting at the Legion Hall Thursday May 2, at 7:30 p. m., it is announced by Peter S. Greene, Post Adjutant.

\$10,000 SMILE

Boston—A municipal court judge awarded a 6-year-old girl \$10,000 for her lost smile.

In 1961, Mary Shafter was struck by an automobile and her injury impaired her ability to smile. Her father sued in her behalf and the child was awarded that amount in the legal suit.

Chamber Of Commerce News

By HERMAN W. WILCOX (President)

At a luncheon, introducing Mr. Edward L. Nung, new director of operations, the International Resistance Corporation announced another expansion for this year which will be 29000 square feet.

This expansion is to be built as soon as the architect can complete the plans and contracts let, and should be ready for use by November this year.

As soon as this new unit is finished, they will be placing additional people on their payroll, but explained that no applications would be considered at this time. The expansion came about by their decision to produce another new product, which will be made in the Boone plant. Mr. Nung paid high respect to Boone, the people who work in their plant, and their present staff.

He explained out of \$5,000,000 set aside for expansion this year, the Boone plant was receiving 15% of that total, and since the Boone plant only represents 12% of their overall employment, he considered we were getting a good break.

It was predicted that by 1968 they would have over 400 people employed.

Howard's Knob Project

Our appreciation to our own Mr. Jack Norris and Associates for their present project to develop the famous Howard's Knob.

They are building a fine hard top road all the way to the top. There will be lots available for building purposes, and unless we miss our guess, a beautiful motel will soon be setting up on the mountain that Col. Howard made famous during the Daniel Boone Days, when the red coats were roaming these mountains.

Shadowline Growing

Within the next couple of years you will see 500 to 600 people working at Shadowline. Their product is being nationally proclaimed as outstanding. Boone should consider herself fortunate in securing these fine industries. We are indeed proud of them.

Members Paying Dues

Crest Stores, Appalachian Amusement Co., Reins Sturdivant, Shirley and Ragan. New Members Highland Hills Motel, Sam M. Dixon.

Letter To Editor Blue Law Story Is Amended

Dear Rob:

In your news story about the Sunday closing or "Blue Law" I think you should in fairness have stated that I also said that if Representative Holshouser desired to exempt the entire County of Watauga, I thought that was his prerogative and that if such an exemption was approved in the House that I would not oppose it in the Senate, and that I wanted to do what was best for the majority of the people in your good county. I hope you will clarify this matter in your next issue.

With best wishes, I am Sincerely yours, Ira T. Johnston

(Editor's note: The inadvertent omission is regretted. We had no notion of reporting the telephone conversation unfairly.)
