Assembly Lauds Sen. Johnston In Resolution

Raleigh.—A resolution praising State Senator Ira T. Johnston of Ashe for his service in the General Assembly, especially his work in behalf of absentee-ballot reforms, was passed by the Senate last week.

Senator Gordon Hanes of Forsyth put in the resolution honoring the Jefferson lawyer, who is ill in Baptist Hospital at Winston-Salem and is not expected to return to Raleigh before the Legislature adjourns this month.

Although not mentioning specifically Johnston's role in the fight to curb absentee-ballot abuses, the resolution said the Ashe legislator "has had the broad vision and courage to take a position of leadership on an issue of vital consequence to the whole state."

It said Johnston did this "even though he had reason to believe that such position would not meet with the immediate and universal approval of his friends and neighbors."

Johnston helped hammer out a compromise bill to tighten absentee-voting restrictions. He was regarded as the key figure in getting mountain legislators whose counties have been the hotbeds of absentee ballot scandals to agree to a reform bill.

The resolution further states that Johnston's shadow "like a small wind-blown mountain pine at sunset, has loomed disproportionately large in this body."

It conveys to his wife and family "the knowledge that we share with each of them their affection and concern" and says to his constituents "that not only were they ably represented while he was present, but also that because of his influence they are not unrepresented in his absence."

New Business Is Introduced In This Locality

Art Bailey of Spruce Pine and J. B. Miller of Boone are enthusiastic about a new cleaning service they are introducing in the Boone area this week.

The service—a powerful vacuum system—is designed for just about every cleaning task that's likely to appear in homes, business buildings, warehouses and commercial enterprises, the business partners say.

Its most practical application at this time of year is the cleaning of home furnaces and heating systems, they think, and they point out that only during the weeks when heating systems are idle can effective cleaning be done.

A unique advantage of the new cleaning system is its compactness. It is a self-contained unit, mounted on a medium weight truck, and can operate anywhere that the truck can be parked, since no outside bags or equipment are required.

Specially designed attachments make it adaptable to almost any cleaning job, its operators say, or as Miller puts it, "We could move into the biggest tobacco warehouse in Boone and whisk it clean as easily as the maid can do the sitting room."

FIREMAN'S POLE MUST GO

Tulsa, Okla.—Firemen at the new central fire station will not have a pole to slide down when called to a fire. Too many firemen have been hurt sliding down and living quarters were moved to the first floor.

G. L. Sartain, fire chief, said living quarters on the second floor and the pole originated in the days when horses lived on the first floor.

Billy Graham Film Will Be Shown Here

Evangelist Billy Graham's newest feature-length dramatic film, "Shadow of the Boomerang," will have its Boone showing June 22, at 7:30 p. m. at the First Baptist Church in Boone.

Starring vivacious Georgia Lee and television's Buffalo Bill, Jr., Dick Jones, "Shadow of the Boomerang" is an outdoor action picture with all the excitement and breath-taking scope of the land, "Down Under." Setting for the screen drama is Australia's "Outback," the continent's vast interior region where some of the world's largest cattle stations are located.

The two young Americans head an All-Australian supporting cast, playing brother and sister roles in a turbulent story of homestead life. Their arrival in Australia to manage newly

acquired family holdings, plunges the couple into strange surroundings and situations with which they find it difficult to cope. The brother is immature and impetuous, slow to accept Australian ways. His sister is much more democratic, readily accepted by her new friends with whom she joins in an attempt to instill understanding and tolerance in her brother.

The new picture will be shown free of charge under the auspices of the Billy Graham Evangelistic Film Ministry.
