JEAN'S PERSONAL COLUMN

Dear Jane And Rachel:

The very first thing I want to tell you is that our wonderful neighbor, Mrs. Boone, had surgery at Duke Hospital in Durham Friday, and is getting along real well. She had gone home the Sunday before with Betty and Charlie Boone for a visit . . . and from there had planned to go to visit Brad and Becky (Boone) Hardie in El Paso, Texas. Now, of course, that is out and I'm real sorry things had to be this way, but ever so thankful Mrs. B. is all right. It's lonely on our hill when she is gone, and we will be looking forward to her return in a few weeks.

I appreciate the invitation to your wedding and hope we can go.

I was pleasantly surprised Sunday afternoon when brother Ernie and Janice Lewis brought their guest, Mr. William James of Richmond, Va. for a visit. Mr. James is such an interesting person, and since I thoroughly enjoy hearing Britishers talk . . . it was a real joy to listen to him. He is also a very lucky person . . . in that his father came to this country from Wales in the early nineteen hundreds, and when the proper time came he booked passage for his wife and three sons on the Titanic. Because of illness of one of the children they took a later ship. The story made cold chills run in all directions. The James family are also old friends of the Carl Days, whom he also visited. Do hope he won't wait another seven years before returning to Boone.

Margaret and John York are the proud parents of John, Jr. born in Morganton last Thursday. He weighed 8 lbs. 5 1/2 ozs. As you know, Margaret worked with us several months and we miss seeing them around. So glad they have the little one.

Thelma (Mrs. James) Horton, a former resident of Cove Creek and Boone, who has been living in Kansas City, Mo. several years, came by for a brief visit this (Monday) morning. It had been a lot of years since I had seen Thelma and she has changed very little. In fact, she is looking great. So glad she could come by.

And, happy news came this morning from Loree O'Daniel in Charlotte. She and Mr. Olin Parks Hutchinson, Jr. were married in the Methodist Parsonage in York, S. C. on June 15. Loree lived here ever so many years while she was with Spahnour's store. They are living at 2421 Kenmore Ave. in Charlotte . . . and I hope great happiness is in store for them.

Dr. J. B. and Barbara Hagaman have started a new house which I will keep you posted on. Also, the Kenneth Wilcoxes have started one on Edgewood Drive . . . and I understand they will be neighbors. I'm so glad they can have new homes. I am way behind reporting new buildings to you. Hope to catch up soon.

Town-Country Club Meeting

The Town and Country Home Demonstration Club met Thursday, July 18, at the home of Mrs. Len Hagaman with Mrs. O. K. Richardson as co-hostess. Following the devotional by Mrs. John Houck, Mrs. Martha Jenkins, assistant Home Demonstration Agent, gave an interesting program on "Floor Care", showing mops, waxes, etc. to be used on different kinds of floors.

Mrs. Hagaman showed sampler kits and a picture she was making.

The August meeting will be with Mrs. Herman Wilcox. Each member is requested to bring a piece of needlecraft to demonstrate at this meeting.
